

Exceeding expectations ... not budgets.

- Nesting
- Mobile
- Affordable

■ Pull up your chair ... any place, anywhere.

Finally ... Get More Than You Pay For.

Abundant options. Incredible durability. All at a budget-conscious price. That's what the MI6 nesting chair offers. The choices are ideal. Arms or no arms. An optional tablet for training. Casters glide easily, letting you rearrange chairs for instant meetings anywhere. Poly or upholstery helps define your space. MI6 is a stylish nesting chair at the right price.

What makes the MI6 so perfect for any environment? The options, of course.

Nesting design lets you store chairs in compact spaces.

Casters provide needed mobility.

Optional arm or tablet.

Upholstered seating or polypropylene for any environment.

MI6® Chair

Looking for a durable chair to perform multiple tasks at a minimal price? Clever seating and compact storage? The KI MI6 nesting chair is the answer. Affordable seating and astounding comfort that fits any space. Conference or training rooms. Teaming areas or classrooms. You decide where, and MI6 will be there.

Thriving on change.

MI6 is loaded with features to accomplish all sorts of tasks. Need extra room? Simply flip the seat up and the chair nests conveniently out of the way. Casters provide mobility. Optional arms offer support. For academic environments, MI6 is available with a tablet arm.

Priced to move.

MI6 offers the high performance features you want within your budget. Quality without cutting corners. As always, KI stands by our products and customers with our impressive 10-year warranty. MI6 – economically priced and built to exceed expectations.
