All Terrain® Tables

General Information

TABLES

General Information

This system shall employ heavy-gauge tubular steel components in pin-height adjustable (26" to 32" high), pneumatic-height adjustable (24" to 34" high), fixed, or fixed nesting models. Adjustable two-tone (telescoping) glides or 3" two-tone casters shall be secured to the legs offering a high degree of mobility. Table line shall include T, V and X base configurations. V and X base configurations shall allow individuals to comfortably sit at any location around the table.

Casters

Tables shall be available with four large twin-wheel casters with 70mm (2-3/4") diameter wheels. Casters shall be black with KI Glacier white wheel hubs. Casters shall have a swivel radius of 2-1/2". Two casters in each set shall have wheel brakes (locking).

Glides

Tables shall also be available with telescoping glides. Glides shall have a nominal mounting height (3-1/4") equal to the caster height, allowing casters and glides to be interchangeable without changing the table height. Glides shall be adjustable by 1/2" from the nominal position. Each glide shall include a telescoping hood that maintains contact with the table leg. Glide base shall be KI Glacier white molded nylon. Glide body and telescoping hood shall be black nylon. Glide base diameter shall be 2-3/4".

Fixed Height Bases

Steel leg column shall be built of 2-1/4", 14-gauge round tubular stock with steel end cap and 16-gauge steel tapered legs elliptically swaged down to 1" diameter at end. Fixed table column shall be welded to 1/4" solid steel plate.

Pin-Height Adjustable Bases

Leg columns shall be formed 14-gauge elliptical tubular steel with steel end cap welded to 1/4" solid steel plate. Leg assembly shall be 16-gauge steel tapered legs elliptically swaged down to 1" diameter at end and brazed to a 2-1/2" diameter, 14-gauge steel collar. Height adjustment shall be accomplished by sliding the leg assemblies over the leg columns utilizing two high strength nylon bushings and fixed in place with 5/16" diameter steel locking pins. Table height shall be adjustable from 26" to 32" in 1" increments. Height adjustment shall be accomplished by one person without tools with the table in an upright position.

Pneumatic-Height Adjustable Bases

Leg assembly shall be of 16-gauge steel tapered legs elliptically swaged down to 1" diameter at end and brazed to a 14-gauge, 2-1/2" diameter round formed tubular steel column. A locking pneumatic spring cylinder shall be fixed in the leg assembly and shall be activated by a steel lever with a plastic grip. Table height shall be adjustable from 24" to 34".

Fixed-Height Nesting Bases

Bases shall be built of 2-1/4", 14-gauge round tubular steel leg column with steel end cap and 16-gauge steel tapered legs elliptically swaged down to 1" diameter at end. Fixed table column shall be welded to flip mechanism. The flip mechanism shall be built of 12-gauge steel formed components and shall allow the tabletop to be flipped to a near vertical position. The T bases shall be attached to the tabletop with an angle, which shall allow tables to nest for storage.

Table Base Finish

Powder coating shall be electrostatically applied. The dry coating shall be fused and cured in a baking oven to form a smooth, continuous film. The finish shall be chemical-resistant, hard, tough and mar-resistant.

Table Surfaces

All Terrain® tabletops shall be predrilled and shipped with threaded inserts installed.

Laminate Tops: 1-1/8" thick high-density particleboard core with high-pressure laminate top and phenolic backing sheet.

Laminate Tops with Knife Edge Style (KN): 1-1/8" thick medium-density fiberboard core with high-pressure laminate top and phenolic backing sheet. KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Round Table (Pneumatic Height)

- Round surface
- Pneumatic-height adjustable from 24" - 34"
- X-base
- Typical use: Quick collaboration, Mobile equipment carrier

Round Table (Pin Height)

- Round surface
- Pin-height adjustable from 26" - 32" in 1" increments
- X-base
- Typical use: Quick collaboration, Mobile equipment carrier
- Non-swivel top

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.
• The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

BN = Flat Vinyl T-edge

74P = 74P edge

TR = Tread edge

IM = Impact edge

KN = Knife edge

- C** Select base style.

4CW = 4 bl/wh casters (2 locking)

4GB = 4 bl/wh glides

4MW = 2 casters bl/wh, 2 glides bl/wh

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- F** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: • The ☐ indicates that a choice is required.
• The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

BN = Flat Vinyl T-edge

74P = 74P edge

TR = Tread edge

IM = Impact edge

KN = Knife edge

- C** Select base style.

4CW = 4 bl/wh casters (2 locking)

4GB = 4 bl/wh glides

4MW = 2 casters bl/wh, 2 glides bl/wh

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- F** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Athens® Tables

General Information

**Round Tapered Base
(AH3)**

Round Disc Base (AH4)

Square X-Base (AHX)

Laminate; 1-1/4" round vinyl bull-nose edge; 1-1/2" radius corner (54B)

Laminate; 1-1/4" rigid PVC edge; square corner (74P)

Laminate; 3/8" x 1-1/4" wood band edge; square corner; corner joint is not mitered (34S)

Laminate; 3/8" x 1-1/4" wood band edge; radius corner (34R)

Veneer-Reed: solid wood T-edge on 1-1/8" particleboard (RE)

Veneer-Plateau; post-formed veneer over 1-1/8" MDF (PT)

**Tapered Base
(AH3)**

Disk Base (AH4)

X-Base (AHX)

SPECIFICATIONS

Athens® Pedestal Table

This system employs heavy gauge columns screwed to either formed steel or cast aluminum bases in fixed models. Fixed columns are bolted onto stamped steel spider plates which are attached to standard particle board laminate tops, particle board veneer tops with wood edges, or post-formed veneer tops on MDF bases.

Bases

Bases are shipped k.d. and can be assembled on-site with standard tools.

Table Bases

AH3 tapered pedestal base is .04" thick steel. 3.0" diameter table column is .06" thick steel. Table spider is .16" thick steel. Adjustable glides are 7/8" diameter black thermoplastic. No tools are required for glide adjustment. AH4 disc pedestal base is .04" thick steel with welded reinforcement. 4.0" table column is .06" thick steel. Table spider is .16" thick

steel. Adjustable glides are 7/8" diameter black thermoplastic. No tools are required for glide adjustment. AH5 disc pedestal base is .04" thick steel with welded reinforcement. Table spider is .16" thick steel. 5.5" table column is .08" thick steel. Adjustable glides are 7/8" diameter black thermoplastic. No tools are required for glide adjustment. AHX X-base feet are die cast aluminum. 3.0" table column is .06" thick steel. Spider plate is .16" thick steel. Adjustable glides are 1-5/8" diameter black thermoplastic. No tools are required for glide adjustment.

Table Finishes

Athens® tables come standard in black powder coat oven-cured paint finish. Chrome and powder coat colors other than black are available at an upcharge. Base and column finishes are specified separately. See 'Model bullets' for determination of basic model number. Available pedestal base finishes: Powder coat over-cured paint

Electroplated chrome
Polished and as-cast surface, aluminum (AHX base only)
Available column finishes:
Powder coat oven-cured paint
Electroplated chrome
(not available on AH5)

Table Surface

Laminate tops feature a 1-1/8" thick high density particle board core with high pressure laminate top and phenolic backing sheet. Tops are pre-drilled. Total dimension is 1-1/4" thick. Veneer-Reed (RE) top features a 1-1/8" particleboard core layered with wood veneer and backing sheet, and finished with a seven step catalyzed varnish. Quantities less than 50 are not predrilled. Total dimension is 1-1/4" thick. Veneer-Plateau (PT) top features wood veneer post-formed over a 1-1/8" shaped MDF board with board backer, and finished with a seven-step catalyzed varnish. Quantities less than 50 are not predrilled. Total dimension is 1-1/4"

thick. KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
- | | |
|------------|--------------------------------------|
| 54B | = 1-1/4" Vinyl bullnose |
| 74P | = 74P edge |
| 34S | = 3/8" Wood band edge, square corner |
| RE | = Reed-solid wood T-edge |
| PT | = Plateau-post-formed veneer |
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select column finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- F** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

54B = 1-1/4" Vinyl bullnose

74P = 74P edge

34S = 3/8" Wood band edge, square corner

RE = Reed-solid wood T-edge

PT = Plateau-post-formed veneer

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select column finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: • The □ indicates that a choice is required.
• The absence of the □ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

54B = 1-1/4" Vinyl bullnose

74P = 74P edge

34R = 1-1/4" Wood band, radius corner

RE = Reed-solid wood T-edge

PT = Plateau-post-formed veneer

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select column finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: • The □ indicates that a choice is required.
• The absence of the □ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

54B = 1-1/4" Vinyl bullnose

74P = 74P edge

34R = 1-1/4" Wood band, radius corner

RE = Reed-solid wood T-edge

PT = Plateau-post-formed veneer

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select column finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

Fixed, folding, flip-top bases							
Four edge styles	•	•	•	•	•	•	•
Lightweight top option					•		
Rolling Barron® base for mobility					•		•

Laminate; 1-1/4" round vinyl bull-nose edge; 1-1/2" radius corner (54B)

Laminate; 1-1/4" self edge; square corner (64E)

Laminate; 1-1/4" rigid PVC edge; square corner (74P)

Laminate; 1" x 1-3/4" wood bullnose edge; .62" radius corner (15W)

Adjustable Glides

Self-Leveling Glides

Ganging Device for Barron® Plus

Barron® Plus Quarter Round Ganging Device

Rolling Barron® Base

SPECIFICATIONS

Barron® Pedestal Base Table

This system employs 14-gauge tubular steel components in fixed, folding or flip-top models. Barron® includes T, TT, X, LX and cantilevered T base combinations. Fixed table column welded to an 8" x 8" formed steel plate.

Bases

Built of 1-3/4" round tubular steel feet, legs and plugs; highly polished finish. LX series is furnished with 3" o.d. seamless tubular steel column. Adjustable glides are secured to the legs. All ends capped with finished steel plugs brazed in place, ground and polished smooth.

Barron® Table's Folding Mechanism

Built of 11-gauge, black zinc finish steel, the folding mechanism easily releases and folds leg tightly to table bottom and securely locks with two polypropylene clips. When opened, legs engage into place for a tight, rigid fit

between leg and mechanism. Built-in nylon bumpers keep tables separated to prevent marring when tables are stacked on edge.

Table Surfaces

1-1/8" thick high-density particleboard core with high-pressure laminate top and phenolic backing sheet. Tops are pre-drilled.

A "standard" table consists of a standard laminate worksurface and a 1-1/4" vinyl bullnose edge for any KI table base.

KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Flip-Top

Standard flip-top table does not have a detachable top.

Barron® Plus Ganging Mechanism

Built of black high-strength nylon, user-friendly ganger with pegs draws tables together. No tools are required when joining tables. Ganger is self-storing under table top.

Mounting screws are provided. Tops are pre-drilled for placement of ganging pegs. Two gangers per table. CAUTION: Gangers are not retrofittable to earlier purchased tables.

Folding Modesty Panels

.685" thick particleboard faced on both sides with laminate that matches table top. Modesty panels are 6-1/4" high by length of table. Mounting brackets are black and packed with base. Table top and panel are pre-drilled. Lower edge of panel extends 8-1/4" from underside of table. The modesty panel is shipped k.d.

Bright Chrome Finish

Surfaces are duplex nickel-chrome plated in a twenty-two step process.

Powder-Coated Finish

Hybrid powder coating is electrostatically applied. Finish is chemical-resistant, hard, tough and mar-resistant.

Barron® Lightweight Table

Top is 5-ply construction consisting of .050" thick laminate, 5.2mm 3-ply plywood, .75" thick high-density particleboard frame with honeycomb core, 5.2mm 3-ply plywood and .040" HPL backer.

Quick-Release Modesty Panels

.685" thick particleboard faced on both sides with laminate that matches table top laminate. Lower edge extends 7-1/4" from underside of table. Panel is easily removed from the table without tools. It locks into two 11-gauge steel retaining brackets and is removed by pulling down on vinyl-coated stainless steel release levers. Panel ships k.d.

Barron® Table Truck

Black powder-coated finish. Two swivel and two rigid 6" diameter casters with heavy-duty roller bearings. Rectangular or square table storage. Felt is standard on top edges.

Barron® with PowerUp®

Barron® tables are available with one or two

Rectangular Table, TT Base

Rectangular Table, Q-Release Modesty Panel

Rectangular Table, Folding Modesty Panel

Barron® Plus Tables

Features

Fixed, folding bases	•	•	•	•
Four edge styles	•	•	•	•
Ganging				•
Modesty panel and wire management		•	•	
Rolling Barron® base for mobility		•	•	•

Laminate; 1-1/4" self edge; square corner (64E)

Laminate; 1-1/4" rigid PVC edge; square corner (74P)

Laminate; 3/8" x 1-1/4" wood band edge; square corner; corner joint is not mitered (34S)

Laminate; 3/8" x 1-3/4" wood band edge; square corner; corner joint is not mitered (36S)

power/data modules, PowerUp®, centrally located 4-1/4" from front edge of table top. PowerUp® is a UL Listed, Relocatable Power Tap, which mounts flush into the table top. When flipped up, cover open, one (1) duplex receptacle and two (2) data ports are exposed. The underside of the table is provided with a hinged plastic channel (cord management trough) which covers the bottom of the module. This channel, furnished with metal dividers, is provided for the routing of the power supply cords and data lines. The PowerUp® module is 6-1/4" long by 3" wide by 2-1/2" high when opened. It is provided with a 9 ft. or 15 ft., 3-conductor cord and is rated 120V a/c, 15A. The cover snaps into the upright position to allow cords to be unplugged without the cover closing. The data ports are molded to accept AT&T "M" Series, RJ45 jacks. The module can be modified to accept various brand jacks. Cords are further managed by the vertical leg wire manager which comes standard with PowerUp®.

Rolling Barron® Base

Rolling Barron® Base be may be ordered with any two-column Barron® or Barron® Plus Table, or may be field-installed on existing two-column Barron® or Barron® Plus Table. By placing embedded wheels on one end of a Barron® two-column table, one person can easily move it by lifting the end without wheels and "driving" the table. Also, Rolling Barron® Base is only available on Single "T" Bases. Not available on "TT", "X" and "LX".

Under-Table Wire Management

Constructed of high quality black velcro. Harness is fastened to table bottom with screws. Shipped assembled. Wire management options HO, HW and WO) are only available on rectangle tables 96" and smaller (not available on any cantilever, flip-top or folding tables).

Leg Wireways

Scuff-resistant, high-impact rigid PVC plastic. Two separate wire channels per leg. Fastened to legs with full length adhesive bond. Black

only. One wireway per leg. Shipped assembled. Two leg wireways per top. Not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

Grommets

Plastic grommets are 3" diameter and recessed into table top. Cap is removable and has retractable slot cover. Two grommets per top. Grommet option is available on rectangle tables 96" and smaller except for all 18"x60" and 24"x60" cantilevered fixed and folding tables (24"x60" tables with standard fixed bases are okay).

OPTIONS

Base Options

Casters:

Black only. Add a "C" to end of model number for casters. Casters are factory installed, not field installable. Upcharge is list \$44 per table.

Rolling Barron® Base:

Only available on single "T". Wheels are black only. Housing matches base finish. Add a "R" to end of model for rolling base. Factory installed. For field installable, see accessory sections. Upcharge is list \$64 per table.

Table Heights Other Than 29"

Table heights other than 29" are available. Add the table height in inches to the end of the model number string.

Example: to specify 27-1/4" from the top of the table to the floor add "/27.25" to the end of the model number. The minimum height for a Trek® fixed leg table is 25".

OPTIONS

Base Options

Casters:

Black only. Add a "C" to end of model number for casters. Casters are factory installed, not field installable. Upcharge is list \$44 per table.

Rolling Barron® Base:

Only available on single "T". Wheels are black only. Housing matches base finish. Add a "R" to end of model for rolling base. Factory installed. For field installable, see accessory sections. Upcharge is list \$64 per table.

Table Heights Other Than 29"

Table heights other than 29" are available. Add the table height in inches to the end of the model number string.

Example: to specify 27-1/4" from the top of the table to the floor add "/27.25" to the end of the model number. The minimum height for a Trek® fixed leg table is 25".

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.

- The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

54B	= 1-1/4" Vinyl bullnose
64E	= 1-1/4" Self-edge
74P	= 74P edge
15W	= 1-3/4" Red oak bullnose

- C** Select edge color.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

OPTIONS

Base Options

Casters:

Black only. Add a "C" to end of model number for casters. Casters are factory installed, not field installable. Upcharge is list \$44 per table.

Rolling Barron® Base:

Only available on single "T". Wheels are black only. Housing matches base finish. Add a "R" to end of model for rolling base. Factory installed. For field installable, see accessory sections. Upcharge is list \$64 per table.

Table Heights Other Than 29"

Table heights other than 29" are available. Add the table height in inches to the end of the model number string. Example: to specify 27-1/4" from the top of the table to the floor add "/27.25" to the end of the model number. The minimum height for a Trek® fixed leg table is 25".

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.
• The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

54B = 1-1/4" Vinyl bullnose

64E = 1-1/4" Self-edge

74P = 7/4P edge

15W = 1-3/4" Red oak bullnose

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
54B = 1-1/4" Vinyl bullnose
64E = 1-1/4" Self-edge
74P = 74P edge
15W = 1-3/4" Red oak bullnose
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

64E = 1-1/4" Self-edge
74P = 74P edge
34S = 3/8" Red oak wood band edge
36S = 1-3/4" Red oak wood band edge

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
 Nevamar - LN/supplier's color pattern code
 Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

OPTIONS

Base Options

Casters:
Black only. Add a "C" to end of model number for casters. Casters are factory installed, not field installable.
Upcharge is list \$44 per table.

Rolling Barron® Base:
Only available on single "T". Wheels are black only. Housing matches base finish.
Add a "R" to end of model for rolling base. Rolling Barron® bases are field installable.
Upcharge is list \$64 per table.

Table Heights Other Than 29"

Table heights other than 29" are available. Add the table height in inches to the end of the model number string.
Example: to specify 27-1/4" from the top of the table to the floor add "/27.25" to the end of the model number. The minimum height for a Trek® fixed leg table is 25".

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

OPTIONS

Base Options

Casters:

Black only. Add a "C" to end of model number for casters. Casters are factory installed, not field installable. Upcharge is list \$44 per table.

Rolling Barron® Base:

Only available on single "T". Wheels are black only. Housing matches base finish. Add a "R" to end of model for rolling base. Rolling Barron® bases are field installable. Upcharge is list \$64 per table.

Table Heights Other Than 29"

Table heights other than 29" are available. Add the table height in inches to the end of the model number string. Example: to specify 27-1/4" from the top of the table to the floor add "/27.25" to the end of the model number. The minimum height for a Trek® fixed leg table is 25".

Ganging Device

DataLink® Multipurpose Plus Quarter Round Ganging Device

SPECIFICATIONS

DataLink® Multipurpose Pedestal Base Table

This system employs heavy-gauge steel, cast and extruded aluminum components in fixed, folding, or flip-top models. DataLink® Multipurpose pedestal table includes T, TT and X base configurations. Fixed table column and foot bolted to 3/16" solid steel plate with two 3/16" x 24" long through bolts. Fixed base shipped k.d., folding base shipped assembled.

Bases

Built of cast aluminum feet with heavy wall extruded aluminum columns (T and TT) or 2-1/2" diameter 14-gauge steel leg column (X) and highly durable, smooth powder-coated finish. Adjustable nylon glides are secured to the legs.

DataLink® Multipurpose Tables Plus Ganging Mechanism

Built of black high-strength nylon, user-

friendly ganger with pegs draws tables together. No tools are required when joining tables. Ganger is self-storing under table top. Mounting screws are provided. Tops are pre-drilled for placement of ganging pegs. Two gangers per table.

CAUTION: Gangers are not retrofittable to earlier purchased tables.

DataLink® Multipurpose Table's Folding Mechanism

Built of 11-gauge, black zinc finish steel, the folding mechanism easily releases and folds leg tightly to table bottom and securely locks with two polypropylene clips. When opened, legs engage into place for a tight, rigid fit between leg and mechanism. Built-in rubber bumpers keep tables separated to prevent marring when tables are stacked on edge.

Table Surfaces

1-1/8" thick high-density particleboard core with high-pressure laminate top and phenolic backing sheet. Tops are pre-drilled.

A "standard" table consists of a standard laminate worksurface and a 1-1/4" vinyl bullnose edge for any KI table base. KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Flip-Top

Standard flip-top table does not have a detachable top.

Folding Modesty Panels

.685" thick particleboard faced on both sides with laminate that matches table top. Modesty panels are 6-1/4" high by length of table. Mounting brackets are black and packed with the base. Table top and panel are pre-drilled. Lower edge of panel extends 8-1/4" from underside of table. The modesty panel is shipped k.d.

Quick-Release Modesty Paels

.685" thick particleboard faced on both sides with laminate that matches table top laminate.

Lower edge of modesty panel extends 7-1/4" from underside of table.

Panel is easily removed from the table without tools. It locks into two 11-gauge steel retaining brackets and is removed by pulling down on vinyl-coated stainless steel release levers. Modesty panel is shipped k.d.

Powder-Coated Finish

Hybrid powder coating is electrostatically applied. The dry coating is then fused and cured in a baking oven to form a smooth continuous film. Finish is chemical-resistant, hard, tough and mar-resistant.

DataLink® Multipurpose Lightweight Table

Top is 5-ply construction consisting of .050" thick laminate, 5.2mm 3-ply plywood, .75" thick high-density particleboard frame with honeycomb core, 5.2mm 3-ply plywood and .040" HPL backer.

DataLink® Multipurpose Plus Tables

Features

Fixed, folding bases	•
Four edge styles	•
Ganging	•

Laminate; 1-1/4" self edge; square corner (64E)

Laminate; 7/4" edge; square corner (74P)

Laminate; 3/8" x 1-1/4" wood band edge; square corner; corner joint is not mitered (34S)

Laminate; 3/8" x 1-3/4" wood band edge; square corner; corner joint is not mitered (36S)

DataLink® Multipurpose Table Truck
Black powder-coated finish. Two swivel and two rigid 6" diameter casters with heavy-duty roller bearings. Rectangular or square/round table storage. Truck measures 60" long by 30" wide by 54" high. Felt is standard on top edges. Six-table capacity; with short-fold bases, 4-table capacity.

DataLink® Multipurpose with PowerUp®

Tables are available with one or two power/data modules, PowerUp®, centrally located 4-1/4" from the front edge of table top.

PowerUp® is a UL Listed, Relocatable Power Tap, which mounts flush into the table top. When flipped up, cover open, one (1) duplex receptacle and two (2) data ports are exposed. The underside of the table is provided with a hinged plastic channel (cord management trough) which covers the bottom of the module. This channel, furnished with metal

dividers, is provided for the routing of the power supply cords and data lines.

The PowerUp® module is 6-1/4" long by 3" wide by 2-1/2" high when opened. It is provided with a 9 ft. or 15 ft., 3-conductor cord and is rated 120V a/c, 15A. The cover snaps into the upright position to allow cords to be unplugged without the cover closing. The data ports are molded to accept AT&T "M" Series, RJ45 jacks. The module can be modified to accept various brand jacks.

Cords are further managed by the vertical leg wire manager which comes standard with PowerUp®.

Under-Table Wire Management

Constructed of high quality black velcro. Harness is fastened to table bottom with screws. Shipped assembled. Wire management options HO, HW and WO) are only available on rectangle tables 96" and smaller (not available on any cantilever, flip-top or folding tables).

Leg Wireways

Scuff-resistant, high-impact rigid PVC plastic. Two separate wire channels per leg. Fastened to legs with full length adhesive bond. Black only. One wireway per leg. Shipped assembled. Two leg wireways per top. Not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

Grommets

Plastic grommets are 3" diameter and recessed into table top. Cap is removable and has retractable slot cover. Two grommets per top. Grommets not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
- | | |
|------------|---------------------------|
| 54B | = 1-1/4" Vinyl bullnose |
| BN | = Flat vinyl T-edge |
| 64E | = 1-1/4" Self-edge |
| 74P | = 74P edge |
| KN | = Knife edge |
| TR | = Tread edge |
| IM | = Impact edge |
| 15W | = 1-3/4" Red oak bullnose |
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.
• The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

54B = 1-1/4" Vinyl bullnose

BN = Flat vinyl T-edge

64E = 1-1/4" Self-edge

74P = 74P edge

KN = Knife edge

TR = Tread edge

IM = Impact edge

15W = 1-3/4" Red oak bullnose

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The ☐ indicates that a choice is required.
• The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

54B = 1-1/4" Vinyl bullnose

BN = Flat vinyl T-edge

64E = 1-1/4" Self-edge

74P = 74P edge

KN = Knife edge

TR = Tread edge

IM = Impact edge

15W = 1-3/4" Red oak bullnose

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

15W = 1-3/4" Red oak bullnose

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select cord length (feet).

15 = 15'

9 = 9'

- G** Select module color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
 Nevamar - LN/supplier's color pattern code
 Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

64E = 1-1/4" Self-edge
74P = 74P edge
34S = 3/8" Red oak wood band edge
36S = 1-3/4" Red oak wood band edge

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
 Nevamar - LN/supplier's color pattern code
 Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

A Select basic model.

B Select edge style.

- 64E

= 1-1/4" Self-edge
- 74P

= 74P edge
- 34S

= 3/8" Red oak wood band edge
- 36S

= 1-3/4" Red oak wood band edge

C Select edge color.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

D Select surface finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

E Select base finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO BUILD A MODEL NUMBER

A Select basic model.

OPTIONS

Accessory Options
Under-Table Wire Management, Leg Wireways, and Grommets are Accessory Options. Add the following to the end of the model number:

Under-Table Wire Management and Leg Wireways selections are:
HO = Under-Table Wire Management; Upcharge is \$44
WO = Leg Wireways; Upcharge is \$17
HW = Under-Table Wire Management and Leg Wireways; Upcharge is \$60
Wire Management options HO, HW and WO are ONLY available on rectangular tables 96" and smaller (NOT available on any cantilever, flip-top or folding tables).

Grommet Selections are:
Gxx=grommet with color designator; Upcharge is \$16
Refer to color addendum at ki.com or in KI Pricelist or KI Fabrics and Finishes binder.
Grommet option is available on rectangle tables 96" and smaller, except for all 18"x

60" and 24"x60" cantilevered fixed and folding tables (24"x60" tables with standard fixed bases are okay).

No accessory options are available on PowerUp® tables or flip-top tables.

Laminate; 1-1/4" rigid PVC tread edge; vertically embossed; 3/4" radius corner (TR)

Laminate; 1-1/4" asymmetrical vinyl T-mold impact edge; 1-1/2" radius corner (IM)

Laminate; 3/8" x 1-1/4" wood band edge; square corner; corner joint is not mitered (34S)

Laminate; 2-1/4" elliptical molded urethane front edge; 1/4" flat molded urethane on sides/back (ME)

Glides

Optional Lightweight Top

SPECIFICATIONS

Hurry Up!® Worksurfaces

Standard worksurface tops are nominal 1-1/4" overall thickness with .030" thick high-pressure laminate top surface and .028 phenolic backer, (bottom surface). Density of the core in standard tops is 45 lb/cu ft. particleboard, M3 grade. Lightweight tops are 1-1/4" thick overall, with .040" thick high-pressure laminate top and .040" thick high pressure laminate backer. Inside is a .75" thick honeycomb paper board core and M3 grade particleboard, laminated between 2 layers of 5.2mm thick plywood.

A "standard" table consists of a standard laminate worksurface and a 1-1/4" vinyl bullnose edge for any KI table base.

Flipping/Nesting Table Frame

The framework for table support and flipping/nesting operation consists of 1-1/2" diameter, .06" thick wall, steel tubing with 1/2" threaded inserts welded inside the tubes

for mounting the legs. 4mm thick stamped steel brackets support the horizontal framework through injection molded Acetal bushings while 1/4" Phillips wood screws attach the framework brackets to the worksurface. The 3/4" diameter steel latch release handle is actuated at the center and front underside of the worksurface.

Pulling forward, using one hand, raises the worksurface for nesting storage. To lower the table for use, from the upright storage position, a steel locking latch is located on one support arm and must be released prior to lowering the table. All hinge pins for the flipping mechanism are zinc plated steel. Hinge pin spacers are molded nylon.

The framework is shipped separately, ready to be assembled to the worksurface and legs. Note: Undercarriage is standard in flannel.

Fixed Top (Non-flipping/Non-nesting)

The non-flipping/non-nesting version of the framework is constructed of the same 1-1/2"

diameter steel tubing and 4mm steel bracketry. All latching and hinging mechanisms or parts allowing the table to nest for storage are removed. The fixed frame is shipped separately, ready to be assembled to the worksurface and legs.

Leg Assembly

The leg assembly consists of one right-hand leg and one left-hand leg. There are two leg widths. One width fits 24" wide tables. One width fits 30" and 36" wide tables. Leg height is fixed to provide only 29" high table-top height. ADA table height of 32" is accomplished using 3" leg extensions threaded into the bottom of the leg. Leg construction consists of 1-1/4" diameter, .078" thick wall, bent steel tubing welded in an assembly. The legs are bolted to the table support mechanism using 1/2" hex bolts. Leg assemblies ship knocked down.

Casters and Glides

4 each, 3" diameter, twin wheel swiveling casters are provided as standard. 2 casters

are locking, 2 are free wheeling. All are black nylon wheels with white hubs. Steel 1/2" threaded stems attach the wheels to the bottom of leg assemblies. 2-3/4" diameter black nylon glides are optional. Glides have 1" of telescoping height adjustment that adjust table height from 28-1/2" to 29-1/2". Steel 1/2" threaded stems attach the glides to legs. Casters and glides ship unassembled.

Leg Wireways

An extrusion made of PVC with self-adhesive tape attaches to the HurryUp leg managing cables and wires exiting PowerUp® or standard grommets installed on the worksurface top. The extrusion is 3" long and divided into two separate cable routing areas for separating wires if required. Factory installed. Black only.

Grommets

Grommets are constructed of ABS plastic which mounts flush into the top of the worksurface. Two grommets ship per table. They are located in the left- and right-hand corners of the tops. Grommets have a flip-up receding

door and are identical in size to the PowerUp® module to allow for retrofitting of PowerUp® at a later date. The available opening for power or data cords, when the flip-up door is closed, is 1/2" wide x 5-3/4" long. Open door available space is 2-1/4" x 5-3/4". Field installed.

Ganging Mechanism

Built of black high-strength nylon, user-friendly ganger with pegs draws tables together. No tools are required when joining tables. Ganger is self-storing under table top.

Mounting screws are provided. Tops are pre-drilled for placement of ganging pegs. Two gangers per table.

Ganging is only available on Hurry Up!® tables with the following edges: 74P, 64E, ME, and 34S.

CAUTION: Gangers are not retrofittable to earlier purchased tables.

Hurry Up!® with PowerUp®

Tables are available with one to three power/data modules, PowerUp®, centrally

located 4-1/4" from the front edge of table top.

PowerUp® is a UL Listed, Relocatable Power Tap, which mounts flush into the table top.

When flipped up, cover open, one (1) duplex receptacle and two (2) data ports are exposed.

The underside of the table is provided with a hinged plastic channel (cord management trough) which covers the bottom of the module. This channel, furnished with metal dividers, is provided for the routing of the power supply cords and data lines.

The PowerUp® module is 6-1/4" long by 3" wide by 2-1/2" high when opened. It is provided with a 9 ft. or 15ft., 3-conductor cord and is rated 120V a/c, 15A. The cover snaps into the upright position to allow cords to be unplugged without the cover closing. The data ports are molded to accept AT&T "M" Series, RJ45 jacks. The module can be modified to accept various brand jacks.

Cords are further managed by the vertical leg wire manager which comes standard with

PowerUp®.

Table Surfaces

KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Design

Designed by Giancarlo Piretti.

OPTIONS

PowerUp Options
PowerUp® modules are accessory options. Add the PowerUp® module position, PowerUp® cord length, and PowerUp® module color to end of model number.

PowerUp® module selections are:

M1L=1 Module Left Position; Upcharge is \$174
M1M=1 Module Middle Postion; Upcharge is \$174
M1R=1 Module Right Position; Upcharge is \$174
M2O=2 Modules Left & Right Positions; Upcharge is \$246
M2L=2 Modules Left & Middle Positions; Upcharge is \$246
M2R=2 Modules Right & Middle Positions; Upcharge is \$246
M3A=3 Modules Left, Right & Middle Positions; Upcharge is \$316

PowerUp® cord length selections are:

9 = 9' cord length
15 = 15' cord length

PowerUp® module color selections are: Mxx-module with color designator. Refer to color addendum at [ki.com](#) or in KI Pricelist or KI Fabrics and Finishes binder. PowerUp® modules are not available with grommets.

If PowerUp® is specified, no other wire management accessory options may be specified. This includes HQ, WO or HW. PowerUp® comes standard with an under surface PVC wire trough.

Modesty Panel Option
A black fabric wrapped modesty panel for nesting or fixed tables is available. Add the following to the end of the model number: "/FMP"; Upcharge is \$244

Accessory Options
Under-Table Wire Management, Leg Wireways, and Grommets are accessory options. Add the following to the end of the

\$ 212

Ganging Kit Option
Each ganging kit joins two tables
Ganging is only available on Hurry Up!®
tables with the following edges: 74P, 64E,
ME and 34S.
Add the following to the end of the model
number:
"/G"; Upcharge is \$19

Inward Modesty

Wire Management Clip

Straight/Canted Leg

SPECIFICATIONS

This system employs heavy gauge steel columns screwed (for straight legs) or welded (for canted legs) to a steel mounting plate. Legs attach by threaded screws to standard particleboard laminate tops.

Table Legs

Legs are constructed of 1.5mm x 45mm o.d. steel tubing with a 125mm diameter flare over the top. All legs accept a leg socket with internal threads that allows for the attachment of casters or glides. The socket is made from molded nylon. Legs and mounting plates are shipped k.d. and can be assembled on-site with standard tools.

Straight Legs

Straight legs attach to underside of worksurface through the use of a concealed 2.5mm steel mounting plate, which is welded to the inside of the flared top section. The mounting plate has a center stud to facilitate mounting, and is held to the worksurface by four #14 sized x 1-1/8" length screws. Straight legs

may be installed or removed by spinning the leg relative to the top mounting plate without tools.

All straight legs mounted to the underside of the worksurface incorporate a 3-1/4" radius from the edge to the center of each vertical column. To determine the approximate spacing between vertical columns below the flared section, subtract 8-1/2" from the worksurface dimension in question (ex: a 30" dimension will allow 21-1/2" of clearance between the legs).

Canted Legs

Canted legs are welded to a 3.5mm rectangular mounting plate that is then attached by four #14 screws to the underside of the worksurface. Canted legs are available on select shapes and models only. Tables with canted legs are offered with glides only.

Base Options

Bases may be specified with four glides or four casters. Only glides may be specified on

canted legs. Caster kits and glides kits are also offered as accessories for replacement or retrofit purposes.

Glides are molded from nylon, and have external threads that mate with the internal threads of the leg sockets. Glides allow for 1" of height adjustment and/or leveling of the table, and come standard in flannel trim color. Glides may be used with both straight and canted legs.

Caster receptors are molded from nylon. Receptors have 7/16" diameter openings to allow for mounting of industry standard 73mm locking soft-tread casters. Casters are available as standard in flannel trim color. Casters are offered only on straight legs.

Straight ADA Table Leg Mounting

Straight ADA legs are the same leg mounting as standard length legs but are 3" longer. Legs raise the finished table height to 32". ADA legs are not offered on canted legs.

Table Finishes

Inquire® table legs are available as standard in black powder coat oven-cured paint finish. Chrome and powder coat colors other than black are available at an upcharge.

Table Surface

Laminate tops feature a 1-1/8" thick high-density particleboard core with high-pressure laminate top and phenolic backing sheet. Tops are pre-drilled. Total dimension is 1-1/4" thick. Edge is available as standard in KI Impact edge only. See KI Color Addendum for standard laminate and Impact edge color selections.

Inquire® tables are offered in square, round, trapezoid, half-round, rectangular, and wave-shape tops. Wave tops increase in dimension 6" to the side as the user is seated at the wave side. For example, a "right wave" top increases to the user's right. See drawings in pricelist for further clarification of wave dimensions and modesty panel placement on wave tops. KI tables can hold a maximum of 1.5 lbs for

Rectangular Table (SS Legs)

Wave Table (SS Legs)

Table with Modesty Panel (SC Legs)

each inch of perimeter evenly distributed over the top.

Modesty Panel/Wire Trough

Modesty panel/wire management troughs are constructed of an aluminum extrusion. Panels are mounted to underside of the worksurface using #12 screws, and can be mounted in either of two directions. In the outward modesty position, the opening faces the outside of the table to facilitate running cables off the back edge of the worksurface to the trough. In the inward modesty position, the opening in between the panel and the tabletop faces toward the inside, allowing for under-table wire management. Either direction provides modesty function for persons seated at the opposite side of the table. Modesty panel may be powder coated in standard colors.

Vertical Wire Management Clips

Vertical wire management clips control the routing of cables from the tabletop to the floor. Clips are molded from translucent polycarbonate, and feature an open section that

allows cables to pass through. Clips easily snap onto any leg.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
IM = Impact edge
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.
- E** Select leg finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select base option.
IC = 4 Inquire soft tread casters
IG = 4 Inquire glides

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
IM = Impact edge
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.
- E** Select leg finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select base option.
IC = 4 Inquire soft tread casters
IG = 4 Inquire glides

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Portico™ Tables

General Information

Features

Fixed, folding, flip-top bases							
Four edge styles	•	•	•	•	•	•	•
Lightweight top option							
Casters option	•	•	•	•	•	•	•

Laminate; 1-1/4" round vinyl bull-nose edge; 1-1/2" radius corner (54B)

Laminate; 1-1/4" self edge; square corner (64E)

Laminate; 1-1/4" rigid PVC edge; square corner (74P)

Laminate; 1" x 1-3/4" wood bullnose edge; .62" radius corner (15W)

Adjustable Glides

Self-Leveling Glides

Ganging Device for Portico™ Plus

Portico™ Plus Quarter Round Ganging Device

SPECIFICATIONS

Bases

The Portico™ double pedestal base table employs 14-gauge, 1-3/4" round steel upright columns and 16-gauge, 1-3/4" x 7/8" elliptical steel foot tubes in fixed, folding or flip-top models.

Portico™ includes T, TT, LX and cantilevered T base combinations. LX bases consist of 14-gauge, 3" round steel upright columns and 16-gauge, 1-3/4" x 7/8" elliptical steel foot tubes. Fixed table columns are welded to an 8" x 8" formed steel plate.

Portico™ bases are available in powder coat or bright chrome finish with plastic trim pieces (end caps and column caps) that can be color-matched to the vinyl table edge colors. Plastic end caps are secured via a "force-fit." The column cap is secured via a #8 x 3/4" tap screw.

Adjustable glides are secured to the foot tubes

by threaded inserts. Self-leveling glides are also available.

Portico™ Table's Folding Mechanism

Built of 11-gauge, black zinc finish steel, the folding mechanism easily releases and folds leg tightly to table bottom and securely locks with two polypropylene clips. When opened, legs engage into place for a tight, rigid fit between leg and mechanism. Built-in nylon bumpers keep tables separated to prevent marring when tables are stacked on edge.

Table Surfaces

1-1/8" thick high-density particleboard core with high-pressure laminate top and phenolic backing sheet. Tops are pre-drilled.

A "standard" table consists of a standard laminate worksurface and a 1-1/4" vinyl bullnose edge for any KI table base.

KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Flip-Top

Standard flip-top table does not have a detachable top.

Portico™ Plus Ganging Mechanism

Built of black high-strength nylon, user-friendly ganger with pegs draws tables together. No tools are required when joining tables. Ganger is self-storing under table top. Mounting screws are provided. Tops are pre-drilled for placement of ganging pegs. Two gangers per table.

CAUTION: Gangers are not retrofittable to earlier purchased tables.

Folding Modesty Panels

.685" thick particleboard faced on both sides with laminate that matches table top. Modesty panels are 6-1/4" high by length of table. Mounting brackets are black and packed with the base. Table top and panel are pre-drilled. Lower edge of panel extends 8-1/4" from underside of table. Panel ships k.d.

Bright Chrome Finish

Surfaces are duplex nickel-chrome plated in a twenty-two step process.

Powder-Coated Finish

Hybrid powder coating is electrostatically applied. The dry coating is then fused and cured in a baking oven to form a smooth, continuous film. Finish is chemical-resistant, hard, tough and mar-resistant.

Quick-Release Modesty Panels

.685" thick particleboard faced on both sides with laminate that matches table top laminate. Lower edge of modesty panel extends 7-1/4" from underside of table.

Panel is easily removed from the table without tools. It locks into two 11-gauge steel retaining brackets and is removed by pulling down on vinyl-coated stainless steel release levers. Modesty panel is shipped k.d.

Portico™ Table Truck

Black powder-coated finish. Two swivel and

two rigid 6" diameter casters with heavy-duty roller bearings. Rectangular or square table storage. Truck measures 60" long by 30" wide. Felt is standard on top edges. Six-table capacity is standard. Four-table capacity for short fold.

Portico™ Lightweight Table

Top is 5-ply construction consisting of .050" thick laminate, 5.2mm 3-ply plywood, .75" thick high-density particleboard frame with honeycomb core, 5.2mm 3-ply plywood and .040" HPL backer.

Portico™ with PowerUp®

Portico™ tables are available with one or two power/data modules, centrally located 4-1/4" from the front edge of table top.

PowerUp® is a UL Listed, Relocatable Power Tap, which mounts flush into the table top. When flipped up, cover open, one (1) duplex receptacle and two (2) data ports are exposed. The underside of the table is provided with a hinged plastic channel (cord management

trough) which covers the bottom of the power supply cords and data lines.

The PowerUp® module is 6-1/4" long by 3" wide by 2-1/2" high when opened. It is provided with a 9 ft. or 15 ft., 3-conductor cord and is rated 120V a/c, 15A. The cover snaps into the upright position to allow cords to be unplugged without the cover closing. The data ports are molded to accept AT&T "M" Series, RJ45 jacks. The module can be modified to accept various brand jacks.

Cords are further managed by the vertical leg wire manager of PowerUp®.

Under-Table Wire Management

Constructed of high quality black velcro. Harness is fastened to table bottom with screws. Shipped assembled. Wire management options HO, HW and WO) are only available on rectangle tables 96" and smaller (not available on any cantilever, flip-top or folding tables).

Leg Wireways

Scuff-resistant, high-impact rigid PVC plastic. Two separate wire channels per leg. Fastened to legs with full length adhesive bond. Black only. One wireway per leg. Shipped assembled. Two leg wireways per top. Not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

Grommets

Plastic grommets are 3" diameter and recessed into table top. Cap is removable and has retractable slot cover. Two grommets per top. Grommets not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

Some models available with Quick Ship leadtimes. See Quick Ship Price List for details.

HOW TO BUILD A MODEL NUMBER

- A

Select basic model.

54B

= 1-1/4" Vinyl bullnose

64E

= 1-1/4" Self-edge

74P

= 74P edge

15W

= 1-3/4" Red oak bullnose

C

Select edge color.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

D

Select surface finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E

Select base finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.
- F

Select plastic end cap color.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: • The ☐ indicates that a choice is required.
• The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

A Select base model.

B Select edge style.

54B = 1-1/4" Vinyl bullnose

64E = 1-1/4" Self-edge

74P = 74P edge

15W = 1-3/4" Red oak bullnose

C Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

D Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

E Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

F Select plastic end cap color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.

- The absence of the □ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

54B = 1-1/4" Vinyl bullnose

64E = 1-1/4" Self-edge

74P = 74P edge

15W = 1-3/4" Red oak bullnose

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select plastic end cap color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- G** Select cord length (feet).

15 = 15'

9 = 9'

- H** Select module color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- 1. Quantity of each item.
- 2. Model number, including options. See "How To Build a Model Number".
- 3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.

54B

= 1-1/4" Vinyl bullnose

64E

= 1-1/4" Self-edge

74P

= 7/4P edge

15W

= 1-3/4" Red oak bullnose
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
For additional colors, see powder-coated surfaces in Color Card 1 in the KI Fabrics & Finishes binder. Add two-digit code. Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- F** Select plastic end cap color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- G** Select cord length (feet).

15

= 15'

9

= 9'
- H** Select module color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

64E = 1-1/4" Self-edge

74P = 74P edge

34S = 3/8" Red oak wood band edge

36S = 1-3/4" Red oak wood band edge

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select plastic end cap color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

OPTIONS

Accessory Options

Under-Table Wire Management, Leg Wireways, and Grommets are Accessory Options. Add the following to the end of the model number:

Under-Table Wire Management and Leg Wireways selections are:
 HO = Under-Table Wire Management; Upcharge is \$44
 WO = Leg Wireways; Upcharge is \$17
 HW = Under-Table Wire Management and Leg Wireways; Upcharge is \$60
 Wire Management options HO, HW and WO are ONLY available on rectangular tables 96" and smaller (NOT available on any cantilever, flip-top or folding tables).

Grommet Selections are:
Gxx=grommet with color designator;
Upcharge is \$16
Refer to color addendum at ki.com or in KI
Pricelist or KI Fabrics and Finishes binder.
Grommet option is available on rectangle
tables 96" and smaller, except for all 18"x

60" and 24"x60" cantilevered fixed and folding tables (24"x60" tables with standard fixed bases are okay).

No accessory options are available on PowerUp® tables or flip-top tables.

Laminate; 2-1/4" elliptical molded urethane front edge; 1/4" flat molded urethane on sides/back (ME)

Ganging Device

Synthesis® Plus Quarter Round Ganging Device

Rolling Base

SPECIFICATIONS

Synthesis® Table

This system employs double-column noncircular uprights on a horizontal base. It is offered in fixed, folding, and flip-top models. Composition includes T, TT, X and cantilevered configurations.

Bases

Base is built of double-column aluminum extrusion non-circular uprights. A flannel colored plastic (polypropylene) trim piece accents the bottom and a Flannel colored powdercoated steel trim piece accents the top of the uprights. Feet are extruded aluminum and endcaps are diecast aluminum. Uprights, feet and endcaps are powdercoated in all standard colors. Adjustable glides attach to feet. Trim pieces are available only in flannel.

Rolling Synthesis® Base

Rolling Synthesis® base may be ordered with any 'T', 'TT' or 'C' base with 2 legs. The embedded wheels are integral to the base construction and cannot be added or retrofitted to earlier purchases.

When rolling legs are used, one person can easily move a table by lifting the end without wheels and "driving" the table. Not available on 'Flip bases', 'X' bases or Plus table bases.

Synthesis® Tables Plus Ganging Mechanism

Built of black high-strength nylon, user-friendly ganger with pegs draws tables together. No tools are required when joining tables. Ganger is self-storing under table top. Mounting screws are provided. Tops are pre-drilled for placement of ganging pegs. Two gangers per table. CAUTION: Gangers may not be retrofittable to earlier purchased tables.

Synthesis® Tables Folding Mechanism

Built of 11-gauge, black zinc finish steel, the folding mechanism easily releases and folds leg tightly to table bottom and securely locks with two polypropylene clips. When opened, legs engage into place for a tight, rigid fit

between leg and mechanism. Built-in rubber bumpers keep tables separated to prevent marring when tables are stacked on edge. Not available with Veneer tops.

Laminate Table Surfaces

1-1/8" thick high-density particleboard core with high-pressure laminate top and phenolic backing sheet. Tops are pre-drilled. KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Veneer Table Surfaces

Reed (RE) and Facet (FA) veneer tops feature 1-1/8" particleboard cores layered with wood veneer and finished with a seven-step catalyzed varnish. Plateau (PT) and Undercut (UC) veneer tops feature wood veneer post-formed over 1-1/8" shaped MDF board and are finished with a seven-step catalyzed varnish. Veneer worksurfaces are not predrilled unless for quantities greater than 50 tables per model.

Veneer surfaces are available in 5 standard KI wood stains. 96" veneer tops are two pieces. KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Knife Edge Styles (KN)

Knife Edge styles use 1-1/8" medium density fiberboard (MDF) core with high-pressure laminate top and phenolic backing sheets. Tops are pre-drilled.

Flip-Top

Standard flip-top table does not have a detachable top.

Powder-Coated Finish

Hybrid powder coating is electrostatically applied. The dry coating is then fused and cured in a baking oven to form a smooth continuous film. Finish is chemical-resistant, hard, tough and mar-resistant. Chrome finish not available.

Veneer Edge Tables

Synthesis® Plus Tables

Features

Fixed only

Fixed, folding bases

Four edge styles

Ganging

Veneer-Reed; solid wood T-edge on 1-1/8" particleboard (RE)

Veneer-Facet; solid wood T-edge on 1-1/8" particleboard (FA)

Veneer-Plateau; post-formed veneer over 1-1/8" MDF (PT)

Veneer-Undercut; post-formed veneer over 1-1/8" MDF (UC)

Plus-Laminate; 1-1/4" self edge; square corner (64E)

Plus-Laminate; PVC edge; square corner (74P)

Plus-Laminate; 3/8" x 1-1/4" wood band edge; square corner; corner joint is not mitered (34S)

Plus-Laminate; 3/8" x 1-3/4" wood band edge; square corner; corner joint is not mitered (36S)

Synthesis® Lightweight Table

Top is 5-ply construction consisting of .050" thick laminate, 5.2mm 3-ply plywood, .75" thick high-density particleboard frame with honeycomb core, 5.2mm 3-ply plywood and .040" HPL backer.

Synthesis® Table Truck

Black powder-coated finish. Two swivel and two rigid 6" diameter casters with heavy-duty roller bearings. Rectangular or square table storage. Truck measures 60" long by 30" wide by 55" high. Felt is standard on top edges. Six-table capacity.

Synthesis® with PowerUp®

Tables are available with one or two power/data modules, PowerUp®, centrally located 4-1/4" from the front edge of table top.

PowerUp® is a UL Listed, Relocatable Power Tap, which mounts flush into the table top. When flipped up, cover open, one (1) duplex receptacle and two (2) data ports are exposed. This channel, furnished with metal dividers, is

provided for the routing of the power supply cords and data lines.

The PowerUp® module is 6-1/4" long by 3" wide by 2-1/2" high when opened. It is provided with a 9 ft. or 15 ft., 3-conductor cord and is rated 120V a/c, 15A. The cover snaps into the upright position to allow cords to be unplugged without the cover closing. The data ports are molded to accept AT&T "M" Series, RJ45 jacks. The module can be modified to accept various brand jacks.

Cords are further managed by the vertical leg wire manager which comes standard with PowerUp®.

Leg Wireways

Scuff-resistant, translucent high-impact rigid PVC plastic. Securely attaches over either of the double column uprights. Translucent only. One wireway per leg; ordered separately. One additional wireway may be attached per leg. Shipped KD.

Grommets

Plastic grommets are 3" diameter and recessed into table top. Cap is removable and has retractable slot cover. Two grommets per top. Grommets not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables. Grommets not available on standard veneer top tables.

Synthesis® Tables

General Information

SPECIFICATIONS

SYNTHESIS MODESTY PANEL

Modesty panel is constructed of an aluminum/steel frame, surrounding a choice of materials for filler panels. Modesty panel is offered in choice of two sizes: full modesty panel (MF) to allow for uninterrupted design, or short modesty panel (MS) for single-table or deskling. Overall dimension are as follows: MF (full modesty panel): Nominal width of top x 10" tall x 1" wide, with a 1" cable gap at underside of table top, for pass-thru cabling. MS (short modesty panel): Nominal width of top minus 6" x 10" tall x 1" wide with 1" cable gap. Filler panel is field removable/replaceable using no tools. Entire modesty panel is attached to the underside of the table top using 2 each, 5/16-18 threaded pan head screws, into zinc, threaded inserts.

Frame construction is .06 thick extruded profile aluminum rails, top and bottom with 10 ga (.13 thk.) formed steel hanger brackets at each end. All parts are fastened with steel screws. cast aluminum end caps complete each frame end. All frame components are powder paint coated. Aluminum rails and cast aluminum end caps are color matched. Formed steel hanger is standard black.

Filler panel construction may be:
a. 20 ga. (.036 thk.) formed, textured steel. Perforations effective opening is estimated at 20%. Insert is powder coated in choice of standard colors.
b. 3/8" thick, 6 ply plywood, with .025 thick laminate of choice, and .025 thick backer. Edges are cut to finished dimensions and bare (not banded or finished). Customer may supply own 3/8" thick material of choice, cut to finished dimension. UL - HB rating minimum is required. A special order is required for this option.

CONCEALED WIRE MANAGEMENT (TT - LEGS ONLY)

Concealed wire manager consists of 20 ga (.036 thick) powder coated formed steel panel assembled to the outside of the leg using one screw. Color is standard "Flannel". Inside of leg is molded 1/8" thick, High Impact Polystyrene vacuum-formed vertical wire/cable channel, attached using two screws and a steel fixing bracket on the underside of the table top. Plastic channel standard color is black with lightly textured surface. Fixing bracket is powder coated standard color "Flannel".

Basic dimensions for the wire manage are; 8-3/8" x 2-1/2" x 26". Wire handling capability is large enough for one 1-1/4" dia bundle or single cable, or approx. 8 square inches total area for cordage.

PIN HEIGHT ADJUSTABLE BASES

Standard double column, fixed T-base con-

struction with trim accents applies (top accent trim will be covered by sheath). Height adjustability is accomplished using extruded aluminum channel, over the dual aluminum columns. Aluminum is powder coated and color matched. Steel spring loaded pins, actuated by finger pressure, adjust table height from 27" to 32", in one inch increments.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond Kl standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

Kl's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact Kl.

Additional Stains

Specially stained edges beyond the Kl standard offering (as shown under Edge Color column on color addendum) are also available. Contact Kl.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
- 54B** = 1-1/4" Vinyl bullnose
 - BN** = Flat vinyl T-edge
 - 64E** = 1-1/4" Self-edge
 - 74P** = 74P edge
 - KN** = Knife edge
 - TR** = Tread edge
 - 15W** = 1-3/4" Red oak bullnose
 - IM** = Impact edge
 - RE** = Reed-solid wood T-edge
 - FA** = Facet-solid wood T-edge
 - PT** = Plateau-post-formed veneer
 - UC** = Undercut-post-formed veneer

- C** Select edge color.
- Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.
- Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.
- E** Select base finish.
- Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

OPTIONS

Rolling Synthesis Base Option
Available on 'T', 'TT' and Cantilevered bases, two legged tables. Wheels are warm grey only. Glides on opposite base are also warm grey. Add "R" to end of model for rolling base. Factory installed. Not retrofittable to earlier purchases.
Upcharge is \$62

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond Kl standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

Kl's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact Kl.

Additional Stains

Specially stained edges beyond the Kl standard offering (as shown under Edge Color column on color addendum) are also available. Contact Kl.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
- | | |
|------------|---------------------------|
| 54B | = 1-1/4" Vinyl bullnose |
| BN | = Flat vinyl T-edge |
| 64E | = 1-1/4" Self-edge |
| 74P | = 74P edge |
| KN | = Knife edge |
| TR | = Tread edge |
| IM | = Impact edge |
| 15W | = 1-3/4" Red oak bullnose |
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- F** Select cord length (feet).
- | | |
|-----------|-------|
| 15 | = 15' |
| 9 | = 9' |
- G** Select module color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond Kl standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

Kl's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact Kl.

Additional Stains

Specially stained edges beyond the Kl standard offering (as shown under Edge Color column on color addendum) are also available. Contact Kl.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The □ indicates that a choice is required.

- The absence of the □ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select base model.
- B** Select edge style.
54B = 1-1/4" Vinyl bullnose
BN = Flat vinyl T-edge
64E = 1-1/4" Self-edge
74P = 74P edge
KN = Knife edge
TR = Tread edge
IM = Impact edge
ME = Urethane Edge
- C** Select modesty panel insert.
LMP = Laminate modesty panel
SMP = Steel modesty panel
- D** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- E** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.
- F** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- G** Select modesty panel insert finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- H** Select cord length.
15 = 15'
9 = 9'
- I** Select powerup color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A

Select basic model.
- B

Select edge style.

54B

= 1-1/4" Vinyl bullnose

BN

= Flat vinyl T-edge

64E

= 1-1/4" Self-edge

74P

= 74P edge

KN

= Knife edge

TR

= Tread edge

IM

= Impact edge

15W

= 1-3/4" Red oak bullnose

C

Select edge color.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

D

Select surface finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E

Select base finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

- Indicate the following information on order form:
1. Quantity of each item.
 2. Model number, including options. See "How To Build a Model Number".
 3. Any special service required.
- Note: •The ☐ indicates that a choice is required.
- The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select base model.
- B** Select edge style.
- 54B** = 1-1/4" Vinyl bullnose
- BN** = Flat vinyl T-edge
- 64E** = 1-1/4" Self-edge
- 74P** = 74P edge
- KN** = Knife edge
- TR** = Tread edge
- IM** = Impact edge
- ME** = Urethane Edge
- C** Select edge color.
- Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
- Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
- Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- F** Select cord length.
- 15** = 15'
- 9** = 9'
- G** Select powerup color.
- Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

OPTIONS

Rolling Synthesis Base Option

Available on 'T', 'TT' and Cantilevered bases, two legged tables. Wheels are warm grey only. Glides on opposite base are also warm grey. Add "R" to end of model for rolling base. Factory installed. Not retrofittable to earlier purchases.

Upcharge is \$62

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond Kl standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

Kl's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact Kl.

Additional Stains

Specially stained edges beyond the Kl standard offering (as shown under Edge Color column on color addendum) are also available. Contact Kl.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- 1. Quantity of each item.
- 2. Model number, including options. See "How To Build a Model Number".
- 3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
 - 54B** = 1-1/4" Vinyl bullnose
 - BN** = Flat vinyl T-edge
 - 64E** = 1-1/4" Self-edge
 - 74P** = 74P edge
 - KN** = Knife edge
 - TR** = Tread edge
 - IM** = Impact edge
 - RE** = Reed-solid wood T-edge
 - FA** = Facet-solid wood T-edge
 - PT** = Plateau-post-formed veneer

- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.
- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

OPTIONS

Rolling Synthesis Base Option
Available on 'T', 'TT' and Cantilevered bases, two legged tables. Wheels are warm grey only. Glides on opposite base are also warm grey. Add "R" to end of model for rolling base. Factory installed. Not retrofittable to earlier purchases.
Upcharge is \$62

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select base model.
- B** Select edge style.
- | | |
|------------|-------------------------|
| 54B | = 1-1/4" Vinyl bullnose |
| BN | = Flat vinyl T-edge |
| 64E | = 1-1/4" Self-edge |
| 74P | = 74P edge |
| KN | = Knife edge |
| TR | = Tread edge |
| IM | = Impact edge |
| ME | = Urethane Edge |
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- F** Select cord length.
- | | |
|-----------|-------|
| 15 | = 15' |
| 9 | = 9' |
- G** Select powerup color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

OPTIONS

Rolling Synthesis Base Option
Available on 'T', 'TT' and Cantilevered bases, two legged tables. Wheels are warm grey only. Glides on opposite base are also warm grey. Add "R" to end of model for rolling base. Factory installed. Not retrofittable to earlier purchases.
Upcharge is \$62

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond Kl standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

Kl's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact Kl.

Additional Stains

Specially stained edges beyond the Kl standard offering (as shown under Edge Color column on color addendum) are also available. Contact Kl.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The □ indicates that a choice is required.

- The absence of the □ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

A Select base model.

B Select edge style.

54B = 1-1/4" Vinyl bullnose

BN = Flat vinyl T-edge

64E = 1-1/4" Self-edge

74P = 74P edge

KN = Knife edge

TR = Tread edge

IM = Impact edge

ME = Urethane Edge

C Select modesty panel insert.

LMP = Laminate modesty panel

SMP = Steel modesty panel

D Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

E Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

F Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

G Select modesty panel insert finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

H Select cord length.

15 = 15'

9 = 9'

I Select powerup color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- ☐

Select basic model.
- ☐

Select edge style.
54B = 1-1/4" Vinyl bullnose
BN = Flat vinyl T-edge
64E = 1-1/4" Self-edge
74P = 74P edge
KN = Knife edge
TR = Tread edge
IM = Impact edge
- ☐

Select edge color.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- ☐

Select surface finish.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based

on edge style selections.

- ☐

Select base finish.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
64E = 1-1/4" Self-edge
74P = 74P edge
34S = 3/8" Red oak wood band edge
36S = 1-3/4" Red oak wood band edge
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.

- B** Select edge style.

64E = 1-1/4" Self-edge

74P = 74P edge

34S = 3/8" Red oak wood band edge

36S = 1-3/4" Red oak wood band edge

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.

Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

Trek® Plus Quarter
Round Ganging
Device

SPECIFICATIONS

Trek® Pedestal Table

This system employs heavy gauge tubular steel components in fixed, folding, or flip-top models. Trek® includes T, TT and X base configurations. Fixed table column welded to 1/4" solid steel plate.

Bases

Built of 2-1/4", 14-gauge round tubular steel leg column with steel end cap and 16-gauge steel tapered legs elliptically swaged down to 1" diameter at end; highly durable, smooth powder-coated finish. Adjustable glides or casters are secured to the legs.

Trek® Tables Plus Ganging Mechanism

Built of black high-strength nylon, user-friendly ganger with pegs draws tables together. No tools are required when joining tables. Ganger is self-storing under table top. Mounting screws are provided. Tops are pre-drilled for placement of ganging pegs. Two gangers per table.

CAUTION: Gangers are not retrofittable to earlier purchased tables.

Trek® Tables Folding Mechanism

Built of 11-gauge, black zinc finish steel, the folding mechanism easily releases and folds leg tightly to table bottom and securely locks with two polypropylene clips. When opened, legs engage into place for a tight, rigid fit between leg and mechanism. Built-in rubber bumpers keep tables separated to prevent marring when tables are stacked on edge.

Table Surfaces

1-1/8" thick high-density particleboard core with high-pressure laminate top and phenolic backing sheet. Tops are pre-drilled.

A "standard" table consists of a standard laminate worksurface and a 1-1/4" vinyl bullnose edge for any KI table base.

KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Flip-Top

Standard flip-top table does not have a detachable top.

Folding Modesty Panels

.685" thick particleboard faced on both sides with laminate that matches table top. Modesty panels are 6-1/4" high by length of table.

Mounting brackets are black and packed with the base. Table top and panel are pre-drilled. Lower edge of panel extends 8-1/4" from underside of table. The modesty panel is shipped k.d.

Bright Chrome Finish

Surfaces are duplex nickel-chrome plated in a twenty-two step process.

Powder-Coated Finish

Hybrid powder coating is electrostatically applied. The dry coating is then fused and cured in a baking oven to form a smooth continuous film. Finish is chemical-resistant, hard, tough and mar-resistant.

Trek® Lightweight Table

Top is 5-ply construction consisting of .050" thick laminate, 5.2mm 3-ply plywood, .75" thick high-density particleboard frame with honeycomb core, 5.2mm 3-ply plywood and .040" HPL backer.

Quick-Release Modesty Panels

.685" thick particleboard faced on both sides with laminate that matches table top laminate. Lower edge of modesty panel extends 7-1/4" from underside of table.

Panel is easily removed from the table without tools. It locks into two 11-gauge steel retaining brackets and is removed by pulling down on vinyl-coated stainless steel release levers. Modesty panel is shipped k.d.

Trek® Table Truck

Black powder-coated finish. Two swivel and two rigid 6" diameter casters with heavy-duty roller bearings. Rectangular or square table storage. Truck measures 60" long by 30" wide by 55" high. Felt is standard on top

Trek® Plus Tables

edges. Six-table capacity.

Trek® with PowerUp®

Tables are available with one or two power/data modules, PowerUp®, centrally located 4-1/4" from the front edge of table top. PowerUp® is a UL Listed, Relocatable Power Tap, which mounts flush into the table top. When flipped up, cover open, one (1) duplex receptacle and two (2) data ports are exposed. The underside of the table is provided with a hinged plastic channel (cord management trough) which covers the bottom of the module. This channel, furnished with metal dividers, is provided for the routing of the power supply cords and data lines.

The PowerUp® module is 6-1/4" long by 3" wide by 2-1/2" high when opened. It is provided with a 9 ft. or 15ft., 3-conductor cord and is rated 120V a/c, 15A. The cover snaps into the upright position to allow cords to be unplugged without the cover closing. The data ports are molded to accept AT&T "M"

Series, RJ45 jacks. The module can be modified to accept various brand jacks.

Cords are further managed by the vertical leg wire manager which comes standard with PowerUp®.

Under-Table Wire Management

Constructed of high quality black velcro. Harness is fastened to table bottom with screws. Shipped assembled. Wire management options HO, HW and WO) are only available on rectangle tables 96" and smaller (not available on any cantilever, flip-top or folding tables).

Leg Wireways

Scuff-resistant, high-impact rigid PVC plastic. Two separate wire channels per leg. Fastened to legs with full length adhesive bond. Black only. One wireway per leg. Shipped assembled. Two leg wireways per top. Not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

Grommets

Plastic grommets are 3" diameter and recessed into table top. Cap is removable and has retractable slot cover. Two grommets per top. Grommets not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

Some models available with Quick Ship leadtimes. See Quick Ship Price List for details.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
- 54B** = 1-1/4" Vinyl bullnose
 - BN** = Flat vinyl T-edge
 - 64E** = 1-1/4" Self-edge
 - 74P** = 74P edge
 - KN** = Knife edge
 - TR** = Tread edge
 - IM** = Impact edge
 - 15W** = 1-3/4" Red oak bullnose
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- F** Select base option.
- 4CW** = 4 casters
 - 4GB** = 4 glides
 - 4MW** = 2 casters/2 glides

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: • The ☐ indicates that a choice is required.
• The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select base model.

- B** Select edge style.

54B = 1-1/4" Vinyl bullnose

BN = Flat vinyl T-edge

64E = 1-1/4" Self-edge

74P = 74P edge

KN = Knife edge

TR = Tread edge

IM = Impact edge

15W = 1-3/4" Red oak bullnose

- C** Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

- D** Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

- F** Select base option.

4CW = 4 casters

4GB = 4 glides

4MW = 2 casters/2 glides

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

Some models available with Quick Ship leadtimes. See Quick Ship Price List for details.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
- 54B** = 1-1/4" Vinyl bullnose
BN = Flat vinyl T-edge
64E = 1-1/4" Self-edge
74P = 74P edge
KN = Knife edge
TR = Tread edge
IM = Impact edge
15W = 1-3/4" Red oak bullnose
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- F** Select base option.
- 4CW** = 4 casters
4GB = 4 glides
4MW = 2 casters/2 glides

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains

Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

Some models available with Quick Ship leadtimes. See Quick Ship Price List for details.

HOW TO BUILD A MODEL NUMBER

- A

Select basic model.
- B

Select edge style.

54B

= 1-1/4" Vinyl bullnose

BN

= Flat vinyl T-edge

64E

= 1-1/4" Self-edge

74P

= 74P edge

KN

= Knife edge

TR

= Tread edge

IM

= Impact edge

15W

= 1-3/4" Red oak bullnose

C

Select edge color.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

D

Select surface finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes

binder. Surface finish offerings are based on edge style selections.

- E

Select base finish.

Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.
- F

Select base option.

4CW

= 4 casters

4GB

= 4 glides

4MW

= 2 casters/2 glides

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
54B = 1-1/4" Vinyl bullnose
BN = Flat vinyl T-edge
64E = 1-1/4" Self-edge
74P = 74P edge
TR = Tread edge
IM = Impact edge
15W = 1-3/4" Red oak bullnose
- C** Select edge color.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based

on edge style selections.

- E** Select base finish.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- F** Select base option.
4CW = 4 casters
4GB = 4 glides
4MW = 2 casters/2 glides

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

OPTIONS

Table Heights Other Than 29"

Table heights other than 29" are available.
Add the table height in inches to the end of
the model number string.

Example: to specify 27-1/4" from the top of
the table to the floor add "/27.25" to the end
of the model number. The minimum height
for a Trek® folding leg table is 25".

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
- 64E** = 1-1/4" Self-edge
74P = 74P edge
34S = 3/8" Red oak wood band edge
36S = 1-3/4" Red oak wood band edge
- C** Select edge color.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.
- F** Select base option.
- 4CW** = 4 casters
4GB = 4 glides
4MW = 2 casters/2 glides

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

OPTIONS

Table Heights Other Than 29"

Table heights other than 29" are available. Add the table height in inches to the end of the model number string.

Example: to specify 27-1/4" from the top of the table to the floor add "/27.25" to the end of the model number. The minimum height for a Trek® fixed or folding leg table is 25".

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: • The □ indicates that a choice is required.
• The absence of the □ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

A Select basic model.

B Select edge style.

64E = 1-1/4" Self-edge

74P = 74P edge

34S = 3/8" Red oak wood band edge

36S = 1-3/4" Red oak wood band edge

C Select edge color.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.

D Select surface finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

E Select base finish.

Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.

F Select base option.

4CW = 4 casters

4GB = 4 glides

4MW = 2 casters/2 glides

FINISH INFORMATION

Additional Laminate Offering

Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code

OPTIONS

Table Heights Other Than 29"

Table heights other than 29" are available. Add the table height in inches to the end of the model number string.

Example: to specify 27-1/4" from the top of the table to the floor add "/27.25" to the end of the model number. The minimum height for a Trek® fixed or folding leg table is 25".

HOW TO ORDER

Indicate the following information on order form:

- 1. Quantity of each item.
- 2. Model number, including options. See "How To Build a Model Number".
- 3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.

64E

= 1-1/4" Self-edge

74P

= 74P edge

34S

= 3/8" Red oak wood band edge

36S

= 1-3/4" Red oak wood band edge
- C** Select edge color.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

- E** Select base finish.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder.
- F** Select base option.

4CW

= 4 casters

4GB

= 4 glides

4MW

= 2 casters/2 glides

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern.
Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

Venue® Table Tops

General Information

Laminate Surfaces

Perimeters® Edges

Features

Laminate surface	•	•
Pre-drilled bottom surface	•	•
Radius or square corners	•	•
Resin edge		•

Veneer or laminate; 1-1/4" x 1-1/4" wood bullnose edge; 2-1/2" radius corner (14R)

Veneer or laminate; 1-1/4" x 1-1/4" wood bullnose edge; square corner (14S)

Veneer or laminate; 1-1/4" x 1-1/4" square wood edge; 2-1/2" radius corner (24R)

Veneer or laminate; 1-1/4 x 1-1/4" square wood edge; square corner (24S)

Veneer or laminate; 3/8 x 1-1/4"; 1-3/4" wood band edge; radius corner (34R)

Veneer or laminate; 3/8' x 1-1/4" wood band edge; square corner; corner joint is not mitered (34S)

Veneer or laminate; 3/4" x 1-1/4" beveled wood edge; 1-3/4"; radius corner (44R)

Veneer or laminate; 3/4" x 1-1/4" beveled wood edge; square corner (44S)

Laminate; 1-1/4" round vinyl bullnose edge; 1-1/2" radius corner (54B)

Laminate; 1-1/4" self edge; square corner (64E)

Laminate; 1-1/4" rigid PVC edge; square corner (74P)

Laminate; 1" x 1-3/4" wood bullnose edge; .62" radius corner (15W)

Laminate; 3/8" x 1-3/4" wood band edge; square corner; corner joint is not mitered (36S)

SPECIFICATIONS

Laminate Surfaces

1-1/8" thick high-density particleboard core with high-pressure laminate top and phenolic backing sheet.
KI tables can hold a maximum of 1.5 lbs for each inch of perimeter evenly distributed over the top.

Laminate Top Edges

Wood edges of solid red oak with a clear lacquer finish are standard. Options include: Radius or square corners. Bullnose edges in vinyl with radius corners. PVC edges have square corners.

Laminate Top Wood Edge Finish

Exposed wood is protected by a conversion catalyzed lacquer.

Perimeters® Edges

Perimeters® edge is a resin edge molded to the core, creating a homogeneous link and a seamless union with the laminate. Overall

thickness is 1-1/4". Corners are radius or square.

The resin edge is a yielding, matte finish. Perimeters® is a registered trademark of Tables International and is used under license by KI.

Veneer Surfaces

1-1/8" thick high-density particleboard core. Veneer thickness varies with species, 1/28" to 1/40". Bottom surfaces are veneer to resist warpage. Top surfaces are center-matched for one-piece tops; end matched for two-piece tops.

Veneer Top Edges

Edges of solid hardwood lumber to harmonize with veneer surface.

Veneer Surface Finish

Wood surfaces are protected by a catalyzed alkyd urea finish.

Pattern Variations

Because of variations in veneer and laminate patterns from suppliers, KI cannot guarantee the exact matching of patterns on large conference table tops.

Wood Color Variations

High quality wood table edges and surfaces are characterized by distinctive natural colors and grain patterns. Due to natural variations of fine woods, it is impossible to exactly match colors and grains with consistency.

Radius wood corner colors may not match side edges due to exposed end grain.

Standard Table

A "standard" table consists of a standard laminate worksurface and a 1-1/4" vinyl bullnose edge for any KI table base.

Veneer Surfaces

Features

Veneer surface	•
Pre-drilled bottom surface	•
Solid hardwood edges	•

Perimeters® bull-nose resin edge; square or radius (BS Square/B Radius)

Perimeters® waterfall resin edge; square or radius (WS Square/W Radius)

Perimeters® straight resin edge; square or radius (SS Square/S Radius)

Perimeters® knife resin edge; square or radius (KS Square/K Radius)

HOW TO ORDER

Indicate the following information on order form:

- Quantity of each item.
- Model number, including options. See "How To Build a Model Number".
- Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A

Select basic model.

54B

= 1-1/4" Vinyl bullnose

64E

= 1-1/4" Self-edge

74P

= 74P edge

15W

= 1-3/4" Wood bullnose

14R

= 1-1/4" Wood bullnose, radius corner

14S

= 1-1/4" Wood bullnose, square corner

24R

= 1-1/4" Square wood, radius corner

24S

= 1-1/4" Square wood, square corner

34R

= 1-1/4" Wood band, radius corner

34S

= 3/8" Wood band, square corner

44S = 1-1/4" Beveled wood, square corner

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

HOW TO ORDER

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How To Build a Model Number".
3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A** Select basic model.
- B** Select edge style.
- | | |
|------------|--|
| 54B | = 1-1/4" Vinyl bullnose |
| 64E | = 1-1/4" Self-edge |
| 74P | = 74P edge |
| 15W | = 1-3/4" Wood bullnose |
| 14R | = 1-1/4" Wood bullnose, radius corner |
| 14S | = 1-1/4" Wood bullnose, square corner |
| 24R | = 1-1/4" Square wood, radius corner |
| 24S | = 1-1/4" Square wood, square corner |
| 34R | = 1-1/4" Wood band, radius corner |

| 36S | = 1-3/4" Wood band edge, square corner |
| 44R | = 1-1/4" Beveled wood, radius corner |

corner
44S = 1-1/4" Beveled wood, square corner

- C** Select edge color.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Edge color offerings are based on edge style selections.
- D** Select surface finish.
Refer to color addendum at [ki.com](#) or in KI Price List or KI Fabrics & Finishes binder. Surface finish offerings are based on edge style selections.

FINISH INFORMATION

Additional Laminate Offering
Additional laminates beyond KI standard offering, are available with two weeks extended leadtime. To specify additional laminates, use these designators followed by the supplier's color/pattern code:

Formica - LF/supplier's color pattern code
Nevamar - LN/supplier's color pattern code
Wilsonart - LW/supplier's color pattern code

KI's standard finish is the supplier's recommended finish for that color/pattern. Note: Nonstandard laminates from these suppliers (example: textured laminates), require an upcharge and additional leadtime. Contact KI.

Additional Stains
Specially stained edges beyond the KI standard offering (as shown under Edge Color column on color addendum) are also available. Contact KI.

Venue® Table Bases

General Information

“C” Base (CB4CH)

“D” Base (D516L)

“E” Base (EX332B)

“F” Base (FS1632)

Features

Powder-coated finish	•	•	•	•
Chrome finish	•		•	
Fixed legs	•	•	•	•
Folding legs			•	
Polished aluminum				•

SPECIFICATIONS

“C” Base Column

Base consists of 1-1/2" round diameter steel of 14-gauge with a 6-gauge spider plate brazed to the column. The bottom of the base receives a plastic threaded insert which is force-fit into the tubing. A black plastic adjustable glide, which can be adjusted up to 3/4", is then threaded into the insert.

“D” Base Construction

A system of modular base components that fit together to form a column hub. This permits three, four or five legs and stringers to be incorporated into the hub design for a variety of configurations, using the same components and providing a continuity of design.

“D” Base Frames

Cast aluminum legs, plugs and stringer connectors. Heavy-gauge steel columns and tubular steel stringers. Hub components, column and spider are tied together with a column bolt. Three sizes of legs. Adjustable

glides. Spiders are cast aluminum. Tables 10' and longer are supplied with a top stringer.

“E” Base Construction

The system employs tubular base components in fixed or folding models. Includes T, TT and X base combinations. Top plate of 8" x 8" formed steel, with four holes for 1/4" diameter screws.

“E” Base Frames

1-3/4" round tubular steel feet, legs and plugs. LX series is furnished with 3" o.d. seamless tubular steel column. All ends capped with steel plugs brazed in place, ground and polished smooth. Adjustable glides.

“F” Base Construction

A system of modular base components that fit together to form a column hub. This permits three or four legs and stringers to be incorporated into the hub design for a variety of configurations, using the same components and providing a continuity of design.

“F” Base Frames

Cast aluminum legs, plugs and stringer connectors. Heavy-gauge steel columns and tubular steel stringers. Hub components, column and spider are tied together with a column bolt. Adjustable glides. Spiders are cast aluminum. Tables 10' and longer are supplied with a top stringer.

“M” Base Frame

Built of cast aluminum feet with heavy wall extruded aluminum columns (T and TT) or 2-1/2" diameter 14-gauge steel leg column (X) and highly durable, smooth powder-coated finish. Adjustable nylon glides are secured to the legs. A brace for enhanced stability has been added to each upright.

“M” Base Construction

This system employs heavy-gauge steel, cast and extruded aluminum components in fixed or folding models. “M” base includes T, TT and X base configurations. Fixed table column and foot bolted to 3/16" solid steel plate with two 3/16" x 24" long through bolts.

Fixed base shipped k.d., folding base shipped assembled.

“P” Base Frames

The double pedestal base employs 14-gauge, 1-3/4" round steel upright columns and 16-gauge, 1-3/4" x 7/8" elliptical steel foot tubes in fixed or folding models.

The “P” base includes T, TT and LX base combinations. LX bases consist of 14-gauge, 3" round steel upright columns and 16-gauge, 1-3/4" x 7/8" elliptical steel foot tubes. Fixed table columns are welded to an 8" x 8" formed steel plate.

Bases are available in powder-coated or bright chrome finish with plastic trim pieces that are available in the same colors as the vinyl table edge colors. Plastic end caps are secured via a “force-fit”. The column cap is secured via a rivet. Adjustable glides.

“T” Base Frame

Built of 2-1/4", 14-gauge round tubular steel

Venue® Table Bases

General Information

"M" Base (DM255FT)

"P" Base (PX32B)

"T" Base (T356ST)

Features

Powder-coated finish	•	•	•
Chrome finish		•	•
Fixed legs	•	•	•
Folding legs	•	•	•

leg column with steel end cap and 16-gauge steel tapered legs elliptically swaged down to 1" diameter at end; highly durable, smooth powder-coated finish or chrome. Adjustable glides or casters are secured to the legs.

"T" Base Construction

This system employs heavy gauge tubular steel components in fixed or folding models. "T" base includes T, TT and X base configurations. Fixed table column welded to 1/4" solid steel plate.

Bright Chrome Finish

Steel surfaces are duplex nickel-chrome plated in a twenty-two step process. This process is the same as is used in the automotive industry for exterior finishes.

Polished Aluminum Finish

Exposed aluminum surfaces are highly polished to harmonize with bright chrome plated finishes.

Powder-Coated Finish

Epoxy powder coating is electrostatically applied. The dry coating is then fused and cured in a baking oven to form a smooth, continuous film. Finish is chemical-resistant, hard, tough and mar-resistant.

HOW TO ORDER

Indicate the following information on order form:

- 1. Quantity of each item.
- 2. Model number, including options. See “How To Build a Model Number”.
- 3. Any special service required.

Note: •The ☐ indicates that a choice is required.
•The absence of the ☐ indicates that no choice is required.

HOW TO BUILD A MODEL NUMBER

- A Select basic model.
Refer to color addendum at ki.com or in KI Price List or KI Fabrics & Finishes binder.
- B Select base finish.

OPTIONS

Base Options

Casters:
Black only. Add a “/C” to end of model number for casters. Casters are factory installed, not field installable.
Upcharge is list \$44 per table.

**You make the rules.
We make the rest.®**

Of course KI solutions work better for you. They're made for you. No one pays more attention to customer needs than we do. We don't design our furniture to win awards (even though it does). We don't rely on one-size-fits-all solutions (even though they would make our life easier). We find out what you need. And, we make it. The same applies to our service, distribution channels...everything we do. It's all built around knowing what you want and giving you the choice. KI solutions work, because we're working for you.
