

Rapture® with Tablet

A really comfortable, great looking chair at a very modest price.

There's only one way to make it better.

Offer it with a tablet arm, both left- and right-handed.

Students benefit. Educators benefit. Everyone wins. (That makes Facilities happy.)

Rapture with tablet is available in any of KI's standard laminates. The tablet arm steel support is powder-coated or chromed to match the chair frame.

The tablet is 20⁵/₈" long by 12" wide.

List price add to the standard Rapture armless chair is \$135.

To order, simply add "TAR" or "TAL" after "RAP" in the model number.

Rapture with tablet does not stack.
