

■ KI Tablet Arm Chairs

Fold-down tablet arm chairs

Torsion on the Go!® Tablet Arm Chair

Offers the same comfort as the Torsion stack chair with the advantage of mobility. Chairs nest for compact storage. Tablet arm accommodates a full size laptop. Right-hand tablet only. Tablet measures 12" x 22".

Dance® Tablet Arm Chair

Back flex for outstanding comfort. Tablet arm flips down to the side, allowing the chair to stack or nest. Available with casters or glides. Tablet measures 10" x 10".

Torsion® Stack "G" Tablet Arm Chair

Back articulation at a moderate price. Available in sled-base and 4-leg styles to suit your needs. Available on TS and TL models only. Tablet measures 18" x 13-3/4".

Flip-up tablet arm chairs

MI6™ Tablet Arm Chair

Moderately priced nesting chair offering ease of storage and mobility. Tablet measures 14" x 20".

Torsion® Stack Standard Tablet Arm Chair

Back articulation at a moderate price. Available in sled-base or 4-leg styles. Tablet measures 19-1/2" x 12-3/4". Oversized tablet measures 22-1/2" x 15-3/4" (TL model only).

Piretti Stack Tablet Arm Chair

Piretti flex back automatically adjusts back tension based on the user's weight. Available in sled-base or 4-leg styles with standard or oversized tablets. Standard tablet measures 19-1/2" x 12-3/4". Oversized tablet measures 22-1/2" x 15-3/4".

Rapture® Tablet Arm Chair

Contemporary styling at a modest price. Available upholstered or in polypropylene. Tablet measures 20-5/8" x 12".

Perry® Tablet Arm Chair

Contoured seat/back and a waterfall edge promote unrestricted blood circulation in the legs. A flex back increases comfort. Standard tablet measures 20-1/2" x 12". Oversized tablet measures 20-1/2" x 17".

Matrix® Tablet Arm Chair

Contoured seat/back for greater comfort. Seat and back are field replaceable, giving the chair a longer service life. Standard tablet measures 20-1/2" x 12". Oversized tablet measures 20-1/2" x 17".

Maestro™ Tablet Arm Chair

Budget-priced chair with a contemporary look. An integral handle is molded into the back to make reconfiguration a snap. Tablet measures 20-1/2" x 12".

Dorsal™ 1090 Tablet Arm Chair

Durable Dorsal flex mechanism is great for hard-use environments. Like all KI stack chairs, Dorsal 1090 chair is backed by a 10-year warranty. Standard tablet measures 20-1/2" x 12". Oversized tablet measures 20-1/2" x 17".

Versa® Tablet Arm Chair

Clean lines plus small scale and a modest price make the Versa chair one of our most popular. Available in both upholstered and polypropylene versions. Tablet measures 20-5/8" x 12".
