Recommended Usage

Crossville porcelain stone products are recommended for interior walls and floors and exterior walls in both residential and commercial applications.

Care and Maintenance

Regular cleaning is the best way to keep your porcelain stone looking new for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville Porcelain Stone products is available at www.crossvilleinc.com.
