Milestone Mosaics are suitable for both interior and exterior floors and walls in both residential and commercial applications. Crossville Porcelain Stone recommends designing all exterior walking surfaces to provide adequate drainage.

Patterns & Borders

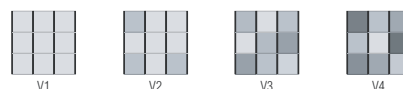

Personalize your design with our Milestone Mosaics Patterns program. Using the 3" x 3" Milestone Mosaics, a variety of patterns are available, including checkerboards, Celtic plaids, argyle designs or your own unique creation. Refer to the Mosaics brochure for additional patterns.

Care and Maintenance

Regular cleaning is the best way to keep your porcelain stone looking new for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers needed. More information regarding the care and maintenance of Crossville porcelain stone products is available at www.crossvilleinc.com.
