Imaginative. Versatile. Creative.

Milestone Mosaics from Crossville are all this and more. Durable enough for interior and exterior wall and floor applications in both residential and commercial applications, Milestone Mosaics let you express your individuality without compromising performance.

Use Milestone Mosaics alone...coordinate them with Crossville's larger unit stone look tiles...or combine them with Cross-Colors Mosaics...glass mosaic decorative inserts...or the new Questech Metals Mosaic Decorative Inserts.

No matter how you use Milestone Mosaics, the result is always the same: stunning.

Recommended Usage

Milestone Mosaics are suitable for both interior and exterior floors and walls in both residential and commercial applications. Crossville Porcelain Stone recommends designing all exterior walking surfaces to provide adequate drainage.

Patterns & Borders

Personalize your design with our Milestone Mosaics Patterns program. Using the 3" x 3" Milestone Mosaics, a variety of patterns are available, including checkerboards, Celtic plaids, argyle designs or your own unique creation. Refer to the Mosaics brochure for additional patterns

Care and Maintenance

Regular cleaning is the best way to keep your porcelain stone looking new for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers needed. More information regarding the care and maintenance of Crossville porcelain stone products is available at www.crossville-ceramics.com.

Shade & Texture Index

Milestone Mosaics have a shade variation of V3

V3

V3 = Moderate Variation:

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly.

Colors represented in this piece may vary from true porcelain stone colors. Final selection should be made from actual product samples.
