ZERO.3 Aisthesis

ZERO.3 is the result of the new and exclusive “gres laminato” technology which is able to produce large, thin sheets that are unique on the market. A new form of ceramic with outstanding characteristics: simple, cost-effective, innovative, versatile and eco-friendly. Aisthesis is the first collection produced by Panaria in ZERO.3 porcelain. Pictured: ZERO.3 Aisthesis Sabbia 100x100.
