

Technical data

Rolf Benz DONO Classic/Lounge

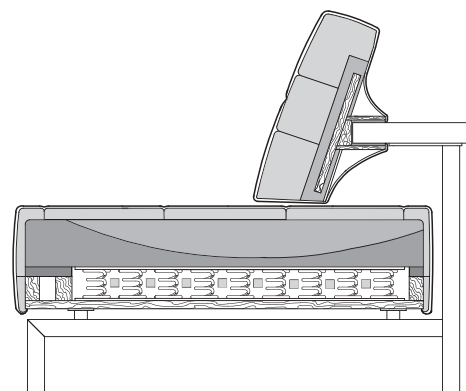

- Downy-soft back cushions worked into ticking chambers with a filling of foam rods and polyester fibres, reinforced by a supportive core of polyether foam and a stabilizing wooden panel
- Seat in polyether foam, built up in coordinated layers varying in height and firmness, covered with a downy-soft mat worked into ticking chambers and filled with foam rods and polyester fibres
- Seat with wooden inner frame
- Coil spring support (ottoman without coil spring support)
- Coupling for modular sofa elements with suspension fitting
- Frame in matt brushed stainless steel
- The rail surface is available in four finish variants:
 - in oak veneer stained in accordance with the Rolf Benz colour chart, or
 - in walnut veneer, optionally French (available until end of February 2010) or American, or
 - in elm veneer, or
 - with leather cover

! Wave formation and depressions in the seat area are unavoidable, due to comfort and design reasons, even in high quality Rolf Benz upholstered furniture.
All measurements are approximate.
