

Zooey Chu

HAWORTH®

Zooey Chu

Simple Stacker
Continuous Adjustment
Multipurpose Design

The secret's in the flex. The continuous steel-wire frame and single-piece polypropylene shell combine for a highly durable chair that adjusts to the size and movements of whoever is in it.

So here's a lightweight - just 15 pounds - stackable chair that people can actually spend hours in. Imagine that.

A great idea made infinitely more practical because the Zooey Chu stacks eight-high on the floor and 20-high on the optional dolly. Plus, a ganging clip is available for more versatility.

Choose wire arm, cap arm or no arm. And a host of trim and fabric colors.

Zooey Chu with Armcaps
 H: 31"
 W: 22³/₈"
 D: 22⁵/₈"
 SH: 17³/₈"
 SD: 19"
