Product Performance

|		
Bond Strength	>150 psi	ASTM C482
Break Strength	>500 lbs.	ASTM C648
Chemical Resistance	Unaffected	ASTM C650
Frost Resistance	Unaffected	ASTM C1026
Scratch Hardness	3	MOH'S Scale

Recommended Usage

Crossville fused glass products are recommended for interior walls in residential and commercial applications.

Care and Maintenance

Regular cleaning is the best way to keep your fused glass accents looking new for years to come. Use clean, hot water (combined with a non-abrasive household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville glass products is available at www.crossville-ceramics.com.

Shade & Texture Index

Venetian Glass has a shade variation of V2

V1   V2   V3   V4

V2 = Slight Variation

Clearly distinguishable texture and/or pattern within similar colors.
