

IRONHAUS

Handcrafted Fireplace Systems

The Big Sky

Woodburning Fireplace

Shown in
Arched Rustica Style

- *Massive 48" x 42" Opening*
- *Real Split Brick Herringbone Interior*
- *Reminiscent of a "Rumford" Style Fireplace*
- *Does Not Require Concrete Foundation; Fast Easy Install*
- *"Green" Design Burns Fire More Efficiently*
- *Style Coordinates With All IRONHAUS Products*

If you are looking for a truly impressive, yet economical, fireplace setting, then search no further. **THE BIG SKY**, is a magnificent combination of modern fireplace technology and true custom craftsmanship. With an opening size of **48" wide by 42" tall** it towers above the competition. Whether passing by or staring into the fire, you will be amazed at how the split brick herringbone masonry interior provides a realistic look that can only be compared to a hand crafted masonry fireplace.

The Big Sky - Features and Finishes

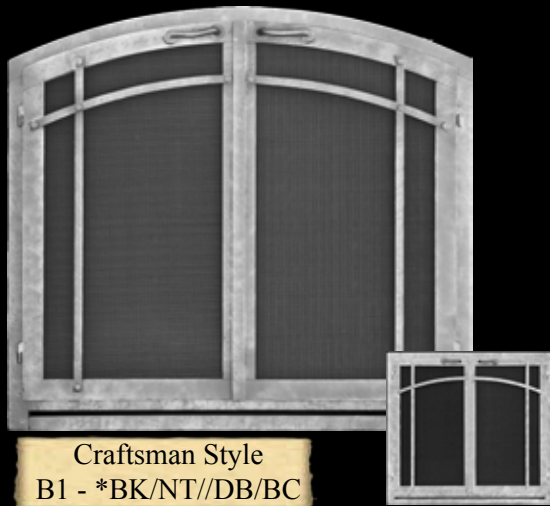

Firebrick snaps into patented "clip system" with set spacing for grout.

"Clip system" before brick in installed.

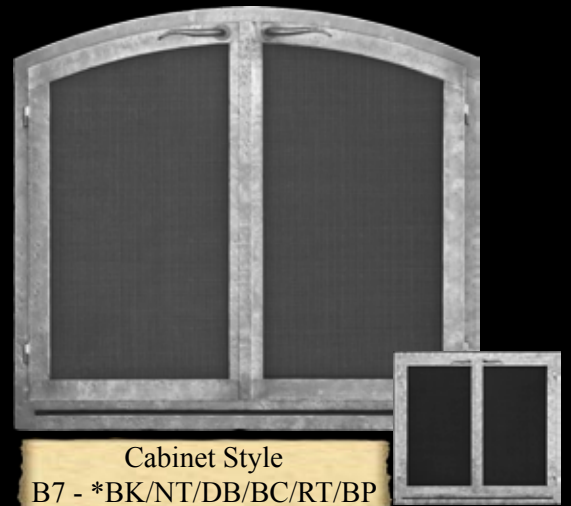

Choose from 8 different styles & match styles to other IRONHAUS fireplaces in your home!

How to Order:
