

# CHARLOTTE COLLECTION

The Charlotte collection of casegoods personifies the sophistication of classical beauty. The linear frieze band between the doors and the OG top offers traditional quality with a handsome flair. Complemented by full overlay doors and drawers, the rich OG detailing invokes a sense of opulence. With gently radiused corners, this collection is ideally suited to healthcare. The high resistant polymer finish promises a hard-wearing, scuff-resistant

surface that can be repaired in seconds – no messy sanding and refinishing. The Charlotte collection is fire-retardant, as we share your concern for resident's safety. These products do not release VOC's, preserving the internal air quality of your facility. These low-maintenance products carry a 10-year warranty on construction and finish, guaranteeing that their lavish elegance will be appreciated day in, day out.
