Specifically designed for **Alzheimer's and dementia residents.**

With gently rounded tops and contrasting edging, these cabinets are exclusively for your Alzheimer's units, yet the same can be placed throughout your entire facility. The high-impact resistant polymer finish promises a hard-wearing, scuff-resistant surface that can be repaired in seconds – no messy sanding and refinishing.

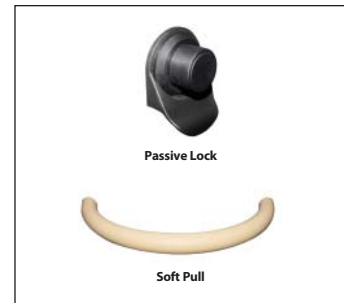

- **10-year warranty on construction and finish**
- **Won't chip like high pressure laminate**
- **Eliminates costly downtime**
- **Looks like new, year after year**

Passive locks on drawers restrict resident access, encourages access only to the top "rummage" drawer.

Rounded edges with contrasting colors provide resident with easy visualization and ensures safety.

Standard hardware selections shown, additional hardware also available.
