

PROGUARD™

CONCRETE INSULATED SHEATHING

ProGUARD Concrete Insulated Sheathing Warranty

Following is the warranty for ProGUARD Concrete Insulated Sheathing Panels for following Project:

Job Name: _____
Number & Street: _____
City, State, Zip: _____
Date Installed: _____

For this warranty to be in effect, the ProGUARD™ System shall have been installed by an approved ProGUARD™ Contractor who shall warrant that the system has been installed in accordance with the T. Clear ProGUARD™ Construction Manual and specific T. Clear installation instructions.

1. ProGUARD™ panels shall be warranted to be free from material defects and workmanship for a period of 10 years and shall be limited to replacement material only for any defective material.
2. ProGUARD™ panels meet the requirements of ASTM D-3273 Standard for Mold and Mildew resistance.
3. The EPS core shall retain up to 100 % of its original “R” value for up to 20 years.
4. All exterior and interior cladding systems and materials applied to the ProGUARD™ shall be warranted by the respective material manufacturers and installing contractors.
