

PROGUARDTM

CONCRETE INSULATED SHEATHING

ProGUARDTM Concrete Insulated Sheathing Warranty

Following is the warranty for ProGUARDTM Concrete Insulated Sheathing Panels for following Project:

Job Name: _____
Number & Street: _____
City, State, Zip: _____
Date Installed: _____

For this warranty to be in effect, the ProGUARDTM System shall have been installed by an approved ProGUARDTM Contractor who shall warrant that the system has been installed in accordance with the T. Clear ProGUARDTM Construction Manual and specific T. Clear installation instructions.

1. ProGUARDTM panels shall be warranted to be free from material defects and workmanship for a period of 10 years and shall be limited to replacement material only for any defective material.
2. ProGUARDTM panels meet the requirements of ASTM D-3273 Standard for Mold and Mildew resistance.
3. The XPS core shall retain up to 80 % of its original "R" value for up to 20 years.
4. All exterior and interior cladding systems and materials shall be warranted by the respective material manufacturers and installing contractors.
