

Flexibility and creative design are the hallmark of Merge allowing it to adapt to any space, any budget with aesthetics firmly intact.

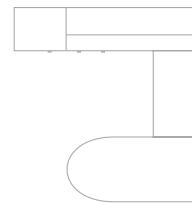

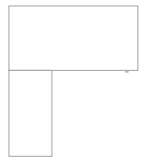

Translucent, aluminum-wrapped

doors on standard or tall overhead storage mask needed items while creating impressive display areas and adding dimension.

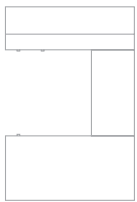

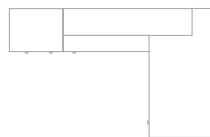

Alluring material combinations are achieved in large and small scale offices using simple accents such as the vertical pull, cylinder leg and perforated modesty panel.

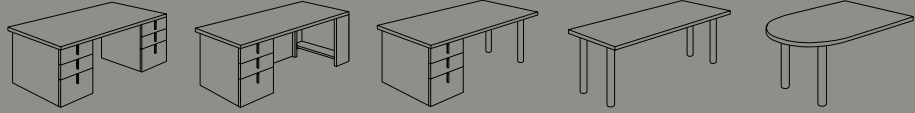

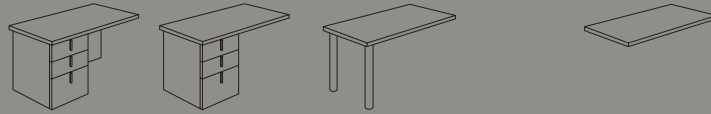

Compact working solutions include single or dual paper management shelf options on overhead storage and the workstation file center.
