

Reflections is a series comprised of functional flexibility and lasting construction making it the perfect choice for any office and budget.

Choose from a selection of four edge details, three hardware styles, and a range of finishes on walnut, cherry, or maple veneer.

Practical solutions for work spaces of any size and shape are easy to find in a variety of modular elements.

Full mortise and tenon case construction offers a seamless appeal.

Reflections offers unique standard features such as pedestal locks, fully enclosed dust bottoms, and finished backs.

An abundance of storage solutions along with multiple size meeting and conference tables complement the Reflections series and attributes to its versatility.
