

Jofco | Solara Guest
CSD Studio

Clean lines and pure forms combine with a contemporary composition of materials creating an enduring style.

Solara guest seating is defined by the distinctive back and arm options which encompass both the modern and the classic resulting in a timeless aesthetic well suited for many interiors.

Solara guest offers three distinct styles: metal arms with exposed molded veneer; metal arms with upholstered back insert; and upholstered arms and back.

The Solara family is comprehensive collection incorporating lounge and occasional seating to complement its guest counterpart.
