

**Jofco** | Solara Lounge  
CSD Studio

**Clean** lines and pure forms create a sophisticated statement in this collection.

**Solara Lounge** includes two distinctive seating styles for both modern and classic design.

**The classic** upholstered style features a slight wood reveal on back and one, two and three place units.

**The modern** club lounge offers both a metal arm or armless style with exposed wood back.

**An offering** of benches, ottomans and occasional tables add personality to any gathering environment.

**Ottomans** allow for extra seating and include removable serving trays.
