

**DIMENSIONS**

Adjustable height from 28" to 32"

MATERIALS

Solid Walnut, Machined Anodized Aluminum, Steel, Chromed Steel, and Stainless Steel

DESCRIPTION

The three-legged Mantis Barstool offers the balance of nature's most stable shape – the triangle. The bar stool combines an artfully sculpted walnut seat with the industrial look and feel of anodized aluminum. It offers a distinctive chrome footrest that passes seamlessly through the angled wooden legs.
