The Unity Series®

Office Appeal

From the front office to the back, the union of style and substance is apparent with functional products from The Unity Series.

It's designed to be as pleasing to the eye as it is versatile in the workplace.

Reception Center

Neat and necessary, this reception center complements the whole office with a touch of class.

Corner Bookcase

For extra storage space that makes a decorative statement, the corner bookcase fits right in.

Worksurface

A wide selection of high-pressure laminates provide design flexibility and worksurfaces that will withstand years of heavy use.

A Unified Team

The Unity Series gives you
affordable style.

Unity is teamwork with elbowroom.

Everyone needs space. The wood-based modular furniture of Unity helps team members stay on task but gives them their own space.

Flipper-Door Under Hutches

With doors that roll inside instead of over the top, the flipper-door under hutch provides a convenient and attractive solution for each team member's storage needs.

Freestanding Peninsula

Need some space? Try the freestanding peninsula when semi-privacy is required.

Integrated for Business

The Unity Series is an economical office furniture solution that is united in design, function and value.

It offers many design features that give multiuser offices configuration flexibility.

Extended Corners and Peninsulas

These extended corners and peninsulas are eye-catching features that are highly functional.

Radius Corners with Transitionals

Round out any computer workstation using this radius corner piece with transitionals. (Privacy panels are no longer offered).

Sessions Series® Table

Need extra meeting space? This Sessions Series table is the perfect complement for The Unity Series.

The Corner Office

Give every office the look and value of a corner office.

An open office
with executive
appointments
adds to
bottom-line
effectiveness.

Arc Desk with Recessed Modesty Panel

Featuring a recessed modesty panel, the arc desk is lovely to behold, modest in its approach.

Bridge

Because it attaches directly to adjacent work surfaces, the bridge has no side panels to interfere with the user's legs.

Double Door Armoire

Coats, briefcases and supplies are locked away behind the double armoire doors. It's a secure, space-saving storage area.
