ABCO Smart Solutions

For Every Environment,
Every Situation, Every Need

Presentation rooms ... teaching areas ... conferencing sites - each environment serves a purpose. In fact, they often serve multiple purposes and must accommodate a wide range of uses. Your furniture should do the same.

Introducing ABCO Smart Solutions, furniture designed to be versatile, mobile and adaptable to meet the varied needs of today's businesses.

12 different top shapes for virtually unlimited configuration possibilities ... each possibility eye-catchingly refined.

Whether perforated metal or thermofused melamine, modesty panels offer an attractive solution to modesty requirements.

24 color options and seven paint finishes provide design flexibility.

ABCO Smart Solutions meets or exceeds all ANSI/BIFMA standards.

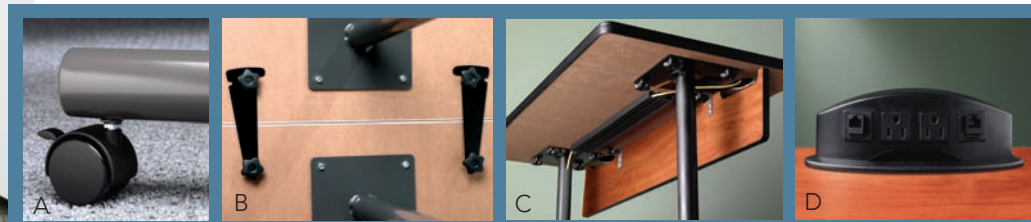

Training Center.

Product Specifications: Evening Tigris and Slate Gray, Evening Tigris 3mm edge.
Seating: ABCO Smart Seating Trainer.

Intelligent Ideas for Multi-Purpose Settings

Need a fast-paced learning environment? ABCO Smart Solutions offers a mobile solution for classroom management — modular configurations, complementary accessories and caster-base options.

- A. **Optional Casters:** Virtually every piece is ready to roll.
- B. **Optional Ganging Kit:** Allows ease of reconfiguration and keeps tables in neat rows.
- C. **Optional Wire Management System:** Channels cords horizontally and vertically.
- D. **Optional Power/Data Module:** Provides access to power and data outlets.

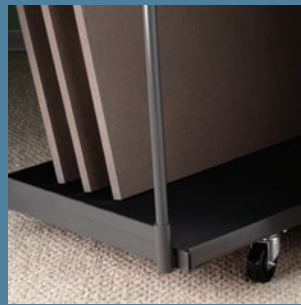

Don't have a leg to stand on? Choose from Arch, T or Post leg styles to match any stylistic need.

For an additional functional — yet attractive — touch to learning, move in ABCO cabinets, lecterns and marker boards.

Conference Configurations.

Working Smarter ... Not Harder

If the key to success is ability to adapt to changing conditions ... then the key to ABCO Smart Solutions is the ability to adapt room conditions to your needs. From in-house training to conference center in less than an hour — that's the reconfiguration formula of success.

Mechanisms: Four flexible table mechanisms — fixed, shared (shown with optional thumbknobs) (A), folding (B), and tilt (C) — for additional reconfiguration possibilities ... including freeing up space.

Sitting pretty ... Smart Seating Trainers and Smart Seating Stackers are the perfect complement to ABCO Smart Solutions tables.

Get the edge you need to succeed!
22 colors in 3mm ... four colors in Smooth T-Mold, Fluted T-Mold and Single Groove T-Mold.

Post-Graduate Work.

Optional ADA Height Compliant Post Bases

Trained for Bottom-Line Effectiveness

Budget Conscious? Our tables are called ABCO Smart Solutions for a reason. From surface materials to leg treatments, ABCO Smart Solutions grade high in providing cost-effective solutions for any budget and every situation.
