Abco Snap

Great alone. Better together.

Specifications: (Above) Coastline, Bluff fabric; Monticello Maple laminate; Silver paint. (Right) Coastline, Vapor fabric; Silver paint. Seating: (Above) Smart Seating Task; Hue, Latte fabric.

Introducing the perfect union of form and function. Abco Snap provides a fast, flexible and affordable privacy solution with a fresh, clean look. Panels stand alone beautifully to define space in an open environment. Paired with modular products such as ABCO's Unity Executive, they work even better, expanding design, application and price options. From individual workstations to semi-private offices to collaborative settings, Abco Snap offers a range of aesthetic and performance options to help you get the most from your space and budget.

With Abco Snap's split-panel design and choice of panel infills you can create workspaces that look great, accommodate every job function and keep your budget balanced.

Fabric, laminate, marker board, acrylic and open pass-through infills give you added variety without added cost.

Panel infills can be mixed and matched thanks to Abco Snap's split-panel design.

Four base options support in-line with adjustable glides, fan base, freestanding and mobile arrangements.

Transaction counters and hang-on storage units further enhance its overall appeal.

Clear-cut assembly. A snap to use.

Simple and durable, Abco Snap is easy to build and fast to change. All you need is a screwdriver. A minimal number of parts streamlines ordering and simplifies inventory. The use of open pass-through infills allow voice and data cabling to run in any direction. Abco Snap can be moved and rearranged efficiently and quickly. Factor in a sturdy, 1-3/8 inch aluminum frame that withstands years of daily use, and Abco Snap gives you the best return on investment and best total cost of ownership.

Step 1

Step 2

Step 3

Step 4

(5) 90° connection, same height panels

(6) Optional corner post

In-line connections made easy: (1) Remove top cap. Raise the integrated lock bar of the first panel. Insert the top and bottom connectors into the corresponding holes. (2) Lower the lock bar to engage the connectors. (3) Raise the lock bar on the connecting panel. Push flush to first panel and lower the lock bar to engage the connectors. (4) Tap top caps into place.

Corner connections: (5) 90° connection, same height panels. Also available as 3- and 4-way. (6) Optional corner post available for 2-, 3-, and 4-way connections.

Practical performance. Pleasing design.

Specifications: Monticello Maple laminate/Versailles Anigre laminate; Slate Grey paint; Tackboard: Coastline, Beach Glass fabric.

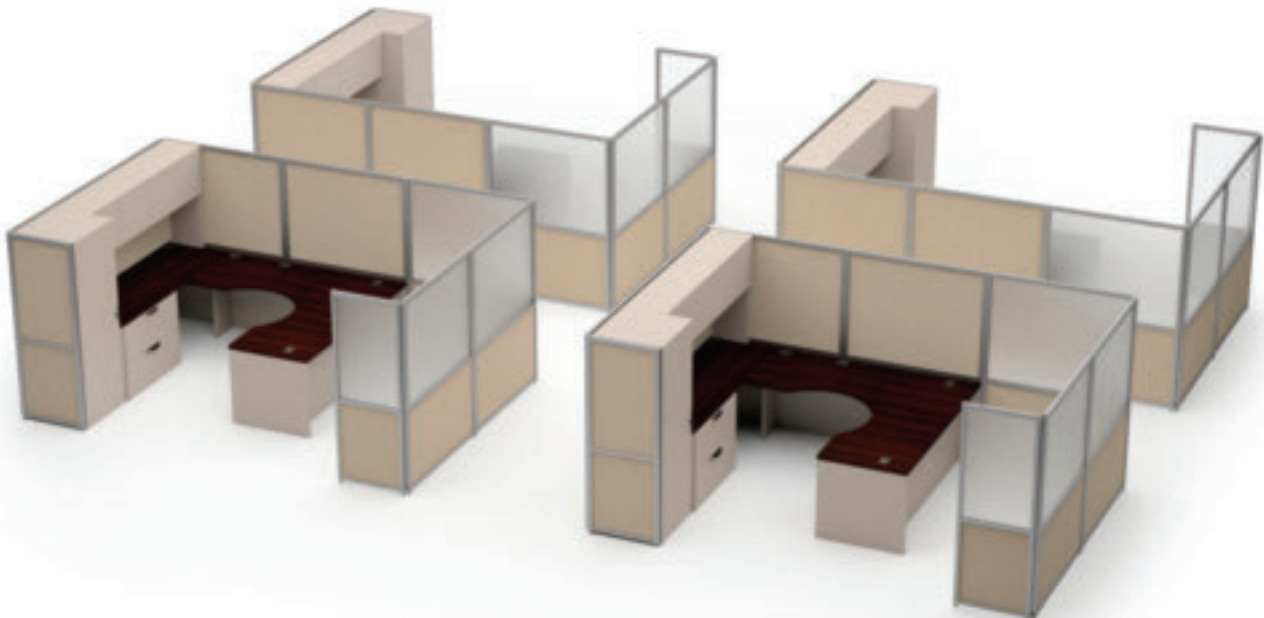

Specifications: Coastline, Seal fabric; Fusion Maple laminate; Slate Grey paint.

Specifications: Anchorage, Goose fabric; Fusion Maple laminate; Silver paint.

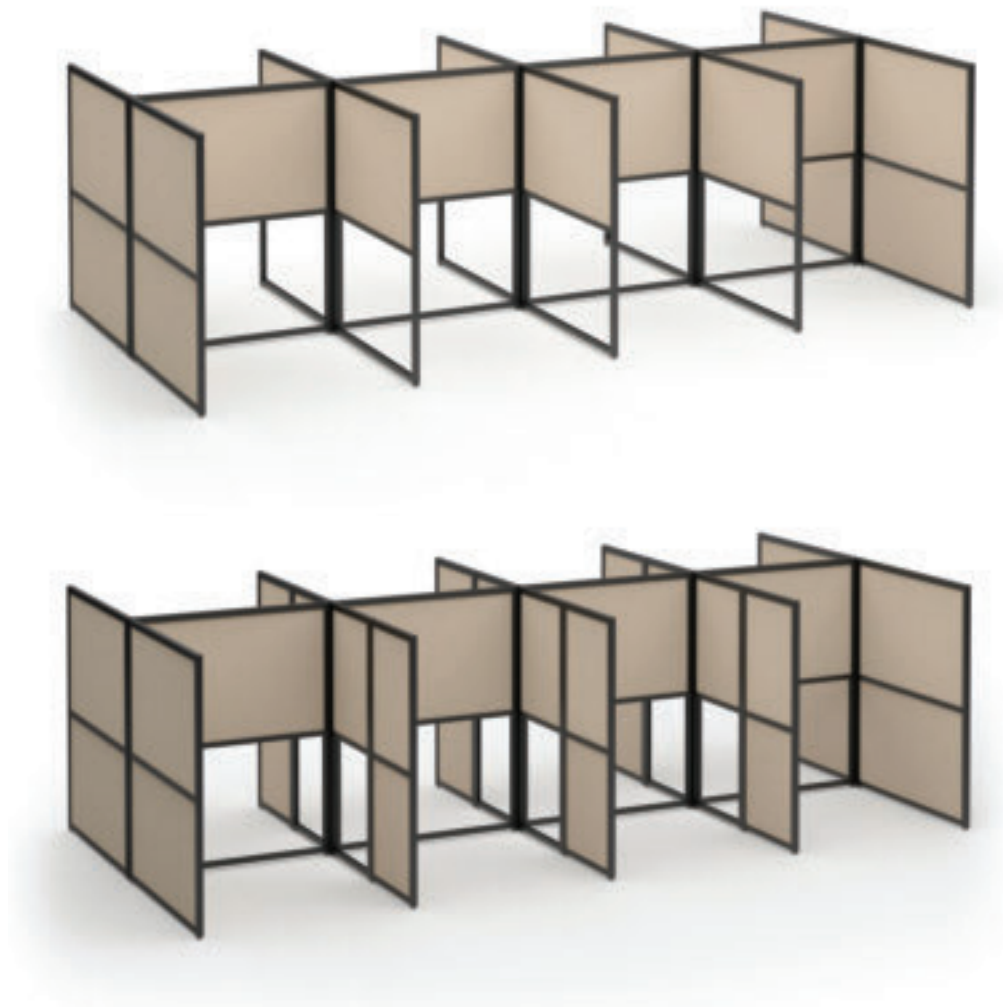

Specifications: Bailey, Khaki fabric; Evening Tigris laminate; Silver paint.

Specifications: Coastline, Bluff fabric; Worksurface: Empire Mahogany laminate; Storage: Khaki laminate; Acrylic; Silver paint.

In designing Abco Snap, we removed the unnecessary, added all the desired performance features, and gave the result a universally pleasing look. Three panel heights increase options for space division and site privacy. A comprehensive range of panel widths and materials contributes aesthetic versatility. Transaction counters, overhead shelves, and compatibility with any modular furniture provide a wide range of application and budget solutions. Bottom line: No matter what shape your workplace may take tomorrow or the day after, Abco Snap delivers the longevity, flexibility and affordability you require.

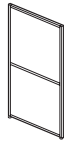

Open Pass-Through infills allow for easy cable and cord access. Networking side-to-side or back-to-back is a snap.

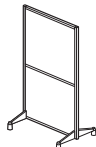

Specifications: Bailey, Khaki fabric; Slate Grey paint.
