Premium quality leather upholstery and fine stitching workmanship define the high standards of Benithem® thanks to advanced technology and skills. Wider contoured backrest of injection molded foam provides superior cushioned support and durability.

<

Solid aluminium framed armrest with leather wrapped arm pad adds a touch of sophistication.

>

Point synchronized technology using Synchron multi locking mechanism makes it possible to achieve perfect balance in every seated position. The synchronized adjustment of the backrest and seat in the ratio of 2:1 ensures complete comfort. Tilt resistance enables user to recline without leaving their vision or reach zone.

<

Sleek 5-pedestal chair base with 60mm castors in aluminium die-cast enable user to glide and swivel in any direction.
