CALZAR II

CALZAR II

Distinctive. Bold. Impeccable.

CALZAR II exudes prestige and stylish confidence to match your career aspirations. Ergonomically designed, CALZAR II is the visible result of precision craftsmanship with its sleek lines, choice of colours and patterned fabric. Every detail is focused on the needs of the user and ergonomically optimized to ensure that the chair delivers excellent performance in any work situation. A task chair that is both stylish and comfortable, and above all customizable to meet the needs of users who require simple yet effective ergonomic seating.

Premium quality upholstery and fine stitching workmanship define the high standards of Benithem® thanks to advanced technology and skills.

60mm front rear armrest adjustment aid intensive working postures and enable users to find a naturally comfortable position that supports the wrists, forearms, shoulders and neck.

Soft Polyurethane (PU) pad with 15 degrees Rotate-able angle provide cushioned comfort.

Adjustable armrests in 7 lockable positions are ideal for working with computers and reduce muscle fatigue during long working hours. Polypropylene (PP) armrests are durable and reliable for long-term use.

A more contoured backrest in the upper and lower back region provides superior comfort and added lumbar support. Tilt mechanism provides easy recline and good back support in different recline positions.

Point synchronized technology using Synchron multi locking mechanism makes it possible to achieve perfect balance in every seated position. The synchronized adjustment of the backrest and seat in the ratio of 2:1 ensures complete comfort.

Sleek 5-pedestal chair base with 60mm castors aluminium die-cast enable user to glide and swivel in any direction.
