Influence[™]

Smart, intuitive, value.

Features

- When it comes to seating, Influence is the model for best business practices. For conference, executive and management environments, Influence will give your firm the competitive edge.
- Influence features clean, contemporary styling, with simple controls and options for complementary arm and high-profile base features.
- Choose from more than 244 fabrics and 31 leathers to create a customized look that's right for every space.
- Influence offers two sizes, contoured for ergonomic and aesthetic advantages, so you can design the very best fit. Both sizes are sculpted with a dual-density, high-resiliency foam for extended comfort and durability.
- Influence ships in just two to ten days and includes a lifetime warranty on all structural components. Foam and fabric are covered for five years.

Arm options

Urethane coated

With a steel inner structure, the urethane-coated arms complement the overall lines of Influence.

Polished aluminum

Polished aluminum arms flatter the matching base and add a modern influence.

Polished aluminum with urethane cap

Adding a urethane-coated cap to the polished aluminum arms provides a textured appearance to flatter any environment.

Polished aluminum with upholstered cap

For style and comfort, polished aluminum arms are available with optional fabric or leather.

Base options

Black resin

A black resin base features one-piece, reinforced construction for durability and a smooth, lasting ride.

Polished aluminum

The sleek polished aluminum base can handle years of wear, resisting scratches and abrasions.
