

# BRETFORD BASICS™

## MULTIMEDIA INSTRUCTION WORKSTATION

### UCS800-GM

The UCS800 is designed to support a variety of multimedia equipment at once. The two top lower cabinet shelves are height adjustable and open in the rear for easy cord management. Rear door panel is located behind the cabinet for easy access to power and data ports.

UCS800 shown with UCSAMS shelf and UCSKD keyboard tray

### FEATURES

- UL listed utility table for the United States and Canadian markets.
- Lower cabinet includes three shelves, two are height adjustable in 2-3/4" increments.
- Shelves have an open slot at the back for cords to drop easily into lower cord bin.
- Rear panel opens behind the shelves for easy access to power and data ports.
- Large 51"W x 30"D Grey Mist laminate work surface provides plenty of space for equipment.
- Grommet holes along the back of the work surface allow power and data cords to drop to cord bin below.
- Height adjustable work surface from 27-1/2" to 34-3/4" to accommodate users.
- 4" swivel casters, two locking.
- Steel base and accessories are constructed from 30% post-consumer recycled steel and finished in an environmentally friendly Grey Mist powder paint.
- Optional Computer Monitor Shelf UCSAMS-GM holds monitors above the work surface and is height adjustable and tilts forward.
- Optional Electrical Units E12 (12 outlets) or ECF6 (6 outlets) feature an on-off switch, 20' power cord and overload protection. Mounts above the lower cord bin.
- Optional Keyboard Drawer UCSKD-GM provides more available work surface.
- Complies with the GREENGUARD Environmental Institute's GREENGUARD Children & Schools Indoor Air Quality standards, contributing to points toward Leadership in Energy and Environmental Design (LEED) Certification.
- Made in the USA.

UCS800-GM - 0 96633 11006 3

Rear access panel for easy access to equipment for cable management.

## SUGGESTED SPECIFICATIONS

The UCS800 overall dimensions are 51"w x 30"d x 27-1/2-34-3/4"h. Work surface is height adjustable in 1" increments. Lower cabinet is constructed from 18-gauge steel and has 3 shelves, two which are height adjustable in 2-3/4" increments. Inside lower cabinet dimensions are 19-1/2"w x 23"d x 18"h. Shelves are constructed from 18 gauge steel and measure 20-1/4"w x 21-1/4"d and provide a rear slot for easy cord management. Rear access panel located behind shelves opens for access to power and data ports. The table top is 1" thick, light Quartz Grey 45 lb density particle board with a matching vinyl edge band. Four grommet holes are located in the rear, measuring 1-1/2" x 4". Modesty panel is constructed from 18-gauge steel. All steel parts are constructed using "prime" steel which contains 25% to 35% post-consumer recycled material. Model available in Grey Mist powder paint with matching Quartz Grey laminate. Table is GREENGUARD CHILDREN & SCHOOLS INDOOR AIR QUALITY CERTIFIED®. Ships ready to assemble in one carton.

## UL LISTED

The UCS800 is a UL Listed utility table for both the United States and Canadian markets.

## MADE IN THE USA

The UCS series Instructional Workstations are made at Bretford's Chicago area manufacturing facilities using union labor.
