

BRETFORD BASICS™

MULTIMEDIA RACK MOUNT INSTRUCTION WORKSTATION

UCS880

The UCS880 features a locking cabinet with 19" rail system for use with rack mounted multimedia equipment.

Made In The USA

Available in any laminate, paint and trim option offered by Bretford by adding the the appropriate color codes at the end. For example, Anthracite paint (AN), Grey Glace laminate (102) and Anthracite trim (A):

UCS880 - AN - 102 - A
Model No. Paint Laminate Trim

UCS880 shown in Crayon laminate with Topaz paint and trim

FEATURES

- Locking cabinet includes a 19" rail system for use with rack mounted electronics and standard racking accessories and two shelves for non-rack mounted equipment. Rails provide room for 10 unit installation.
- Rear cabinet door provides easy access to the back side of equipment for cord management and front door locks for security and includes two keys.
- Large laminate work surface features four grommet holes for cord management and easy integration of computers and other electronics with rack mounted equipment.
- Large cord management bin runs the width of the table and easily feeds cables into the back side of the cabinet.
- Vinyl bumper along the tabletop edge minimizes scratches and dents as table is rolled through doorways and classrooms.
- Height adjustable work surface from 27-1/2" to 34-3/4" to accommodate different users.
- 4" swivel casters, two locking.
- Steel base and accessories are constructed from 30% post-consumer recycled steel and finished in an environmentally friendly powder paint.
- Optional Electrical Units E12 (12 outlets) or ECF6 (6 outlets) feature an on-off switch, 20' power cord and surge suppression. Mounts above the lower cord bin to pre-drilled holes.
- Optional Keyboard Drawer UCSKD mounts under the work surface next to the cabinet and provides more work space.
- Complies with the GREENGUARD Environmental Institute's GREENGUARD Children & Schools Indoor Air Quality standards, contributing to points toward Leadership in Energy and Environmental Design (LEED) Certification.
- Made in the USA.

COLOR & FINISH OPTIONS

UCS880-GM: Grey Mist laminate, Quartz trim, and Grey Mist paint.

Also available in any standard laminate, powder paint and edge trim finish offered as a standard by Bretford by adding the appropriate color codes at the end. For example Anthracite paint (AN), Grey Glace laminate (102), and Anthracite trim (A):

UCS880 - AN - 102 - A
Model No. Paint Laminate Trim

- UCSKDMP2: Keyboard Drawer with Mouse Extension

NOTE: Keyboard drawers must be ordered with the UCS880 in the same paint colors to avoid any special paint charges.

SUGGESTED SPECIFICATIONS

The UCS880 overall dimensions are 51"l x 30"d x 27-1/2-34-3/4" h with the work surface height adjustable in 1" increments. Lower cabinet is constructed from 18-gauge steel and includes a key locking door, two keys included. The cabinet interior has 19" rack mount rails for 10 unit installation and includes two rack mount accessory shelves. Shelves are constructed from 18 gauge steel. A rear access panel is located behind the rack mount cabinet for access to power and data ports. The table top is 1" thick, 45 lb density particle board, with laminate surface and 3mm vinyl edge band. Four grommet holes are located at the rear of the work surface, measuring 1-1/2" x 4", and provide access to the integrated cord management channel and rear of the cabinet. Modesty panel is constructed from 18-gauge steel. All steel parts are constructed using "prime" steel which contains 25% to 35% post-consumer recycled material. Table is GREENGUARD CHILDREN & SCHOOLS INDOOR AIR QUALITY CERTIFIED®. Model ships ready to assemble in one carton via truck.

MADE IN THE USA

The UCS series Instructional Workstations are made at Bretford's Chicago area manufacturing facilities using union labor.
