## MOBILE PRESENTATION LECTERN

### LECT1 MOBILE PROJECTOR LECTERN

**LECT1-TZGM**

### FEATURES

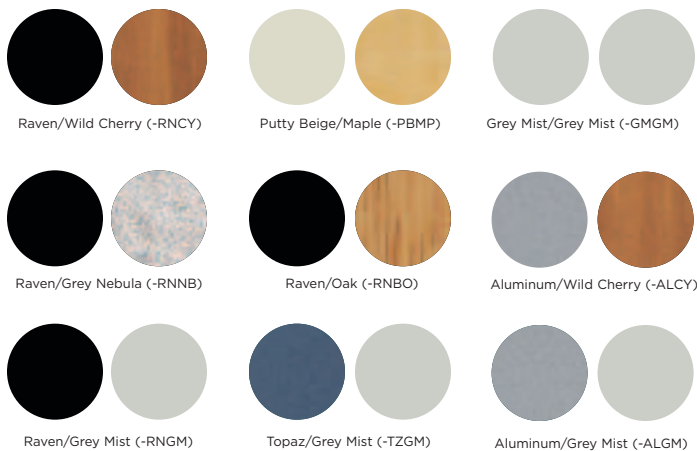

- Designed to support a data projector, document camera, laptop computer, and additional electronic equipment.
- Table Top Lectern platform has a 1/2" front retainer lip and will mount to the left or right side or can be removed for use elsewhere.
- Projector shelf is left or right of the lectern platform and includes a non-slip rubber mat.
- Grommet holes are included for management of computer and projector cords. Optional 6-outlet electrical unit (ECF6) can be attached to pre-drilled holes and features surge protection, on/off switch and a 20' power cord.
- Durable steel construction with 1" laminate lectern platform finished in your choice of nine color choices.
- 2" twin wheel designer casters for mobility, two with locking brakes.
- Constructed using an average 30% post-consumer recycled steel content and finished in environmentally friendly powder paint. Steel components are 100% recyclable at the end of the product life cycle. The LECT1 lectern is certified to GREENGUARD Children & Schools Indoor Air Quality standards.
- Made in the USA.

## MADE IN THE USA

All LECT series lecterns are made at one of Bretford's Chicago area manufacturing facilities using union labor.

## SUGGESTED SPECIFICATIONS

LECT1 Mobile Presentation Lectern has an overall dimension of 30"W x 18"D x 45"H. The lower cabinet section is 30"W x 18"D x 31-1/2"H and features a lower and upper shelf. Both shelves are 29"W x 17"D and the lower shelf has a 15-7/16" height clearance and the upper shelf has a 7-31/32" height clearance. The top of the cabinet supports a table top lectern to the left or right side and includes a 15"W x 18"D projector platform that is covered by a non-slip rubber mat. The table top lectern is 13-1/2"H and has a 18"W x 20-3/4"D laminate platform. The table top lectern is angled at 12-1/2° and has a 3/8" steel stop at the front. Lower cabinet and table top lectern include grommet holes for easy cord management of equipment. The lower cabinet and table top lectern frames and shelves are constructed from 18-gauge steel. The table top lectern top is a 1" thick laminate with 3mm PVC edge detail. Include four (4) 2" diameter twin wheel designer casters, two (2) have locking brakes. Constructed using "prime" steel which has a 25%-35% post-consumer recycled steel content. Mobile Presentation Lectern ship fully assembled in one (1) carton via truck.

## ENVIRONMENTAL SPECIFICATIONS

Lecterns are constructed with "prime" steel which has a 25% to 35% post-consumer recycled content. All steel components are recyclable at the end of the product life cycle. Lectern's are certified to GREENGUARD Children & Schools Indoor Air Quality standards.
