

BRETFORD BASICS™

MOBILE PRESENTATION LECTERN

LECT2 MOBILE LECTERN

LECT2-PBMP

FEATURES

- Large lectern platform rests at a 12-1/2° angle and features a 1/2" front retainer lip that acts as a pencil tray or to hold papers, materials or a laptop computer in place.
- Laminate top is 1" thick with a scratch resistant surface and T-mold edge band around the perimeter.
- Three interior shelves will hold equipment or presentation materials.
- Grommet holes are included in each shelf for cord management of computer or microphone cords. Optional 6 outlet electrical unit (ECF6) can be attached to pre-drilled holes in the lower cabinet and features surge protection, on/off switch and a 20' power cord.
- Durable steel base construction with 1" laminate lectern platform finished in your choice of nine standard color choices.
- 2" twin wheel designer casters for mobility, two with locking brakes.
- Constructed using an average 30% post-consumer recycled steel content and finished in environmentally friendly powder paint. Steel components are 100% recyclable at the end of the product life cycle. The LECT2 lectern is certified to GREENGUARD Children & Schools Indoor Air Quality standards.
- Made in the USA.

E12 - 12-outlet electrical unit

MADE IN THE USA

All LECT series lecterns are made at one of Bretford's Chicago area manufacturing facilities using union labor.

SUGGESTED SPECIFICATIONS

LECT2 Mobile Lectern has an overall dimension of 26"W x 18"D x 45"H. The lower cabinet section features three storage shelves and is 24"W x 16"D. Each shelf is arc welded in place and features a rear grommet hole for cord management. The lectern top is laminate on a 1" 45 lb. density furniture board with a T-mold edge around the perimeter. Lectern has a 1/2" front retainer lip to hold materials in place and a grommet hole centered at the rear edge. The lectern top is 24"W x 18"D at an angle of 12-1/2°. Lower cabinet is constructed from 18-gauge steel and includes pre-cut holes for an optional electrical unit. Optional electrical unit may be mounted in the bottom of the lower cabinet. Include four (4) 2" diameter twin wheel designer casters, two (2) have locking brakes. Cabinet is constructed using "prime" steel which has a 25%-35% post-consumer recycled steel content. Mobile Lectern ship assembled in one (1) carton.

ENVIRONMENTAL SPECIFICATIONS

Lecterns are constructed with "prime" steel which has a 25% to 35% post-consumer recycled content. All steel components are recyclable at the end of the product life cycle. Lectern's are certified to GREENGUARD Children & Schools Indoor Air Quality standards.
