LECT3-RN

FEATURES

- Large lectern platform rests at a 9° angle and features a front retainer lip to hold materials or a laptop computer in place.
- Lower shelf stores presentation papers and other equipment.
- Wide base provides stability.
- Lightweight construction makes moving and storing the lectern easy.
- Durable all steel construction finished in your choice of four colors.
- Constructed using an average 30% post-consumer recycled steel content and finished in environmentally friendly powder paint. Steel components are 100% recyclable at the end of the product life cycle. The LECT3 lectern is certified to GREENGUARD Children & Schools Indoor Air Quality standards.
