

**MR 2 Construction Waste Management (NC, Schools, CI) 1-2 points**

Recycle and/or salvage non hazardous construction and demolition debris.

*All American Seating packing material is 100% recyclable.*

**MR 3 Materials Reuse (NC and Schools) 1-2 points**

Use salvaged, refurbished, or reused materials which constitutes 5-10% of project cost.

*When involved with a major renovation, American Seating's products can be removed from the building, refurbished, and reinstalled towards the end of a renovation. The high quality components can allow a chair to look like new for more than 50 years.*

**MR 4 Recycled Content (NC, Schools, CI) 1-2 points**

Use products with a recycled content of 10% or 20% based on weight.

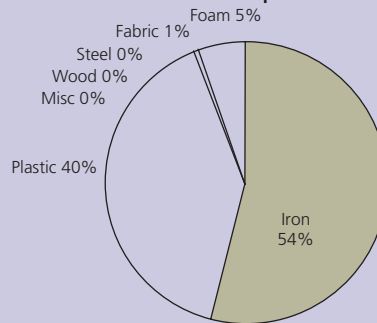

*American Seating standard product shown far exceeds 20% recycled content by weight. See reverse.*
