

franklin media bench

ebonized rift white oak

This simple media unit was designed to support a large flat-screen television and house various media equipment. Its versatile design allows it to be used in any room. Rift-sawn white oak is chosen for its unique grain pattern and is accentuated by the ebonizing process. The Franklin Media Bench is a harmony of sleek, minimalist style and hand-crafted fabrication.

22"H | 56"W | 14"D
