Oak

This completely hand-finished and naturally rustic product is distinguished by its rich color and radiance. Each plank displays a unique character and patina to enhance the charm and beauty of your home. With 9 different shades and custom color options, our Belicoso floor is the perfect choice for your home.

Belicoso Specifications

<i>Species:</i>	Light Rustic Walnut- Engineered
<i>Thickness:</i>	5/8"
<i>Widths:</i>	2 1/4" to 6" or random width
<i>Lengths:</i>	2 feet to 8 feet random long lengths with a 4 foot to 6 foot average
<i>Finish:</i>	Urethane finishes, providing a rich, low luster finish
<i>Production:</i>	The Belicoso collection is crafted by hand. Each plank is hand distressed and finished giving the product its olde world charm and beauty.
<i>Construction:</i>	Belicoso's engineered platform is constructed with a 9-ply Baltic Birch Hardwood giving the product the highest rating of dimensional stability. The solid walnut wear layer is precision milled to 3/16", consistent with that of a solid walnut plank.
<i>Installation:</i>	The engineered walnut plank can be glued, over a moisture barrier directly to the sub-floor. It may also be nailed. The recommended adhesive for this product is Bostik's Best Elastomeric Urethane Adhesive. For more specific instructions , please go to NWFA's website at www.nwfa.org
<i>Warranty:</i>	There is a lifetime structural warranty to the original purchaser. The finish, done by hand, is expected to require a fresh, professional application every 5 to 10 years depending on use.
