

Hector

design Bruno Fattorini and partners, 2011

A table realized using two words of the project language used by Bruno Fattorini and partners: rigour and simplicity. The main characteristic is the leg tapering, whose thickness is reduced from 50 to 30 mm. The product gives a sense of lightness and simplicity.

Day complements

Not only tables: i like a collection that makes me discover my world. Have a look at Poliform's range and you'll find that the style you have always dreamt of actually exists. Solid units, classic lines and the impeccable elegance of the finishes and covers, this is a collection that can reflect your style.

Technical characteristics and finishes:

Table with top in honeycomb veneered in natural oak and spessart oak. Legs in tapered metal tube veneered in natural oak and spessart oak.
