

Poliform

Day complements

Not only chairs: the Poliform complements collection is a global project, which is able to adapt to any lifestyle. Poliform offers original products that can be both welcoming and relaxing, whatever style you are looking for.

Strip

design Carlo Colombo, 2004

The idea of the "shell" inspires the shape of the polyurethane body designed by Carlo Colombo: winded and essential lines, with the possibility of using removable cushions for the seat and back. Revolving base in varnished metal, or structure in chromed tubular metal.

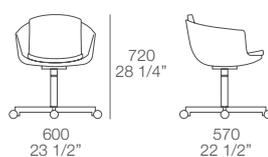

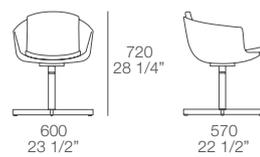

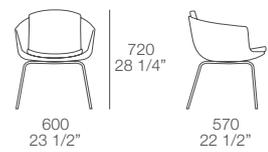

Technical characteristics and finishes:

Body in plastic in the colours white and black or body in leather and eco-leather. Cushion in removable fabric, eco-leather and leather.

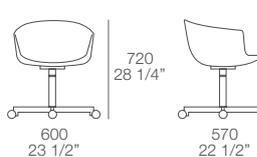

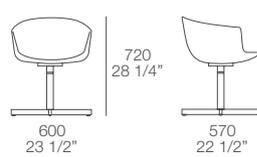

Available in 3 versions: with revolving base with or without wheels, in white or black painted metal or with structure in chromed metal tubular.

Dimensions:

Body in plastic material

Body in leather
