

Sofas and armchairs collection

The sofas and armchairs collection: in the living area there is a full coherence between modular systems, complements and the elements dedicated to comfort. Collaborating with prestigious international designers, Poliform completes its offer with a variety of proposals that underline versatility. a series of different armchairs and sofas, able to explore a wide range of aesthetical approaches and to become part of a full "Home project", where every piece of furniture matches with the other, in a highly harmonious interior design project.

Bali

design Carlo Colombo, 2006

An armchair, designed by Carlo Colombo, that offers relax according to the most recent aesthetics. The design couples big dimensions and smooth forms, thanks to the metal structure.

Technical characteristic and finishing:

Structure: molded polyurethane foam. Pre-covering: polyester padding.

Base: chromed metal feet

Final outstretched covering: removable in fabric and not removable in leather

Dimensions:
