## *Day complements*

Not only chairs: the Poliform complements collection is a global project, which is able to adapt to any lifestyle. Poliform offers original products that can be both welcoming and relaxing, whatever style you are looking for.

## **BB**

**Design Riccardo Blumer e Matteo Borghi, 2008**

The BB is a chair with exoskeleton in hide. The BB is injected with light expanded polyurethane whose task is to keep the shape of the chair. A design looking for the efficiency of the materials, sure that this address is basic for a new "aesthetic efficiency".

### **Technical characteristics and finishes:**

Structure in rigid polyurethane of low density, completely covered in hide.
