

Night collection

Variety is the word to define the collection: fourteen different proposals, fourteen ideas for the night area; functionality, design and emotions are joined together in beds with a strong personality. To complete the choice there are "dedicated" containers, coherent in style, along with one multipurpose serie, which can be freely combined. Conceived to really satisfy any resting requirements, this system includes also mattresses, pillow and complements.

Big Bed

Big bed, design Paola Navone, 2009

An evolution of the armchairs Bug and Big Bug, the new bed of Paola Navone offers an extra-large look and an informal style to the sleeping area
