

Sofas and armchairs collection

The sofas and armchairs collection: in the living area there is a full coherence between modular systems, complements and the elements dedicated to comfort. Collaborating with prestigious international designers, Poliform completes its offer with a variety of proposals that underline versatility. A series of different armchairs and sofas, able to explore a wide range of aesthetical approaches and to become part of a full "Home project", where every piece of furniture matches with the other, in a highly harmonious interior design project.

Carmel

design Jean-Marie Massaud, 2010

The sofa system Carmel, design Jean-Marie Massaud, recalls an archetype of upholstered furniture, with wide and soft proportions, made lighter by the feet of minimum thickness.

Technical characteristic and finishing:

Structure: molded polyurethane foam. Basement in painted aluminium covered with leather.

Pre-covering: polyester padding. Covering: removable in fabric and not removable in leather.

Back pocket: optional on the armchair, not separable from the armchair covering, of the same finishing as the covering of the seat cushion.
