

Sofas and armchairs collection

The sofas and armchairs collection: in the living area there is a full coherence between modular systems, complements and the elements dedicated to comfort. Collaborating with prestigious international designers, Poliform completes its offer with a variety of proposals that underline versatility. A series of different armchairs and sofas, able to explore a wide range of aesthetical approaches and to become part of a full "Home project", where every piece of furniture matches with the other, in a highly harmonious interior design project.

Park

Soho design Paolo Piva, 2009

A system of sofas based on lightness that interprets a style apparently without rules that expresses actually a precise desire of harmony and naturless.

Technical characteristic and finishing:

Basement: aluminium brill finishing and bronzed painted.
