Not only coffee tables: i like a collection that makes me discover my world. Have a look at Poliform's range and you'll find that the style you have always dreamt of actually exists. Solid units, classic lines and the impeccable elegance of the finishes and covers, this is a collection that can reflect your style.

Tridente

design Emmanuel Gallina, 2007

The goal of this series of coffee tables is to extol the wood with a modern shape and a traditional workmanship. This coffee table has tops and heights of different dimensions so that they can meet the different needs. The particular shape of the T structure comes from the function of insertion in the corner of a sofa. These coffee tables can live alone but can create as well a pleasant atmosphere when used together

Technical characteristics and finishes:
