Poliform

Night collection

Variety is the word to define the collection: fourteen different proposals, fourteen ideas for the night area; functionality, design and emotions are joined together in beds with a strong personality. To complete the choice there are "dedicated" containers, coherent in style, along with one multipurpose serie, which can be freely combined. Conceived to really satisfy any resting requirements, this system includes also mattresses, pillow and complements.

Onda

Onda bed, design Paolo Piva, 2007

Onda is the last bed born by the cooperation between Poliform and the arch.Paolo Piva. The bed Onda is a modern element of decoration, characterized by strong personalization. The light structure matches with the capitonné in leather of the headboard. A true protagonist of the night room, for those who want to feel unique in their home.
