

Monogram® 30" Fully Integrated Glass-Door Refrigerator with Convertible Drawer

Model# ZIK30GNZII

- Integrated, panel-ready design - Blends seamlessly with surrounding cabinetry and accepts stainless steel European- or Professional-style panels in 80- or 84-inch heights, ordered separately from Monogram
- Convertible lower drawer - With independent temperature controls can be used to store fresh food, frozen foods, wine or beverages
- GE unveils first HFC-free refrigerator in the U.S. - To use a R600a refrigerant, which has a lower global warming impact than ozone-depleting hydrofluorocarbon (HFC) refrigerants commonly used in household refrigerators
- Freezer drawer with electronic icemaker - Includes a removable ice bin and scoop and accommodates everyday freezer items, such as pints of ice cream
- LED interior lighting - Gradually brightens and dims when door or drawer is opened and closed, providing clean white illumination that's both attractive and energy-efficient. Side and top lighting in the upper compartment enhances visibility
- Adjustable glass shelves - With aluminum trim provides an elegant and uncluttered appearance
- Soft-close freezer and convertible drawers - Smoothly and quietly slide into a secure shut position
- Illuminated, electronic glass-touch controls - Make it easy to adjust interior lighting, temperature (Fahrenheit or Celsius), control lock and other settings for all three climate zones
- GE water filtration system - Provides clean, fresh-tasting ice cubes
- Sabbath mode-capable - Allows the refrigerator to comply with Kosher practices

FEATURES

Configuration	Full Door and Double Drawer
Temperature Management System	Dual Sealed System
Defrost Type	Adaptive
Control Type	Capacitance Touch Controls
Icemaker	Factory-Installed
Water Filtration	GE Water Filtration 1 Year, Water Filter Indicator Light, GSWF
