(1) Socket Cord

Assembly:

WARNING: RISK OF FIRE AND ELECTRIC SHOCK. THIS PRODUCT IS TO BE INSTALLED BY A QUALIFIED ELECTRICIAN ONLY.

1. (figure 1) Slide the Shade down over the socket. If provided, slide the brass ball down on top of the shade.
2. Install the pendant base. Please see separately enclosed pendant kit for installation instructions.
3. Install a bulb, turn on, and enjoy! We recommend a clear incandescent or a halogen spot bulb.

SAFETY INFORMATION

SAFETY

We have designed your lamp to meet the highest **UL and CUL** safety standards.

WARNING: RISK OF FIRE AND ELECTRIC SHOCK. THIS PRODUCT IS TO BE INSTALLED ONLY BY A QUALIFIED ELECTRICIAN.

CARE

Mesh shade . . .

Metal mesh will naturally change over time developing a richer, deeper color. The acids and oils from your hands quicken this process. For this reason, it is important to clean your hands with soap and water, drying thoroughly, before handling your shade. Rubbing alcohol (70% isopropyl) applied with a soft nylon brush may help for spot cleaning. Wipe and dry with a clean cloth, or spots may appear from the mesh being damp. (Do not use household copper or brass cleaners, as they will permanently stain the shade.)
