

# Assembly Instructions

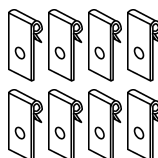

## ADAGIO Item 60-R & 63-R

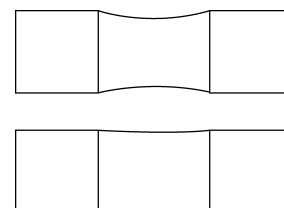

### Parts Included: (pictures not to scale)

(1) Square Frame

(8) Shade Clips

(1) Shade (2 panels)

### Assembly:

The shade frame will need to be installed prior to beginning the steps on this instruction sheet. The directions for installing the shade frame are located on a separate sheet included in this box.

1. **(figure 1)** Slide the shade panel with the concave center up through the square frame. Drape the flaps over 2 opposing sides of the square frame. Secure the flaps with 2 shade clips for each flap. The hole-side of the shade clip should be placed on the inside of the shade.
2. **(figure 2)** Slide the shade panel with the straight center up around the previous panel, and through the square frame. Drape the flaps over the remaining 2 opposing sides of the square frame. Secure the flaps with 2 shade clips for each flap.
3. Install frosted or white Bulbs, turn on, and enjoy!
