LOUNGE SEATING

AMARIS™

DESIGN INSPIRATION

Create the comfort and overall essence of home within any environment with Amaris™ Lounge seating. Amaris is a simple, contemporary line of lounge seating for use in waiting rooms, consultation rooms, patient rooms, and lounges on the inpatient floor. Light in scale, it's the perfect addition to any space where patients and their families and friends seek respite.

The complete line of Amaris lounge seating includes a single seat chair as well as two styles of multi-seat units, module and lounge. Module seating includes arms and legs between each seat. Lounge seating has arms and legs on the ends only.

FEATURES AND BENEFITS

STYLING Contemporary flat arm design is fully upholstered and available with optional maple or plastisol arm caps.

ELEGANT Maple legs in a range of finishes add a simple touch of elegance.

CLEANABLE All models feature a generous clean out space between the seat and back for easy cleaning.

CHOICES Additional options include a swivel tablet arm, moisture barrier on the seat, and contrasting fabrics on the seat and back.

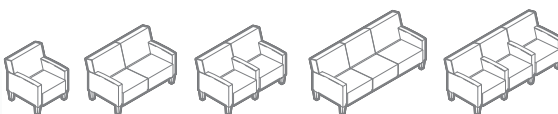

WARRANTY Amaris lounge seating features a lifetime structural warranty.
