

VECTA

au lait

AU LAIT'S LIGHTWEIGHT design makes it simple for anyone in your organization to setup, move, nest, and reconfigure a room. It's uniquely styled arc shaped nesting base and self-locking hinge mechanism make it the perfect choice for executive, corporate, hospitality, and educational cafeterias.

AU LAIT SQUARE AND RECTANGULAR TABLES [WALNUT TOP, WOOD EDGE AND TUX TEXTURE BASE] WITH LYRIC CHAIRS

Glides have leveling mechanism to compensate for uneven floors.

Locking casters: make movement easy.

Cast urethane edge on square top.

Bullnose vinyl edge on square top.

EASY STORAGE

Five 42" round Au Lait tables can nest in a space just 75" x 42" (the first table is 39", every additional table adds 9" to the depth).

SELF-LOCKING HINGE releases the top with a quick push of the handle. Handle works as a bumper to protect table tops from damaging each other.

MATERIALS:

Top: Laminate or veneer with bullnose vinyl, cast urethane (laminated only) or wood edge.

Base: Glass-filled nylon base can be painted in 4 colors. The base allows for easy nesting of tables for compact storage. Casters or glides in black.

FINISHES:

Top: Vecta laminates and veneers

Base paint colors: concrete texture, highway texture, storm texture and tux texture.

Vinyl and urethane edge colors: black, warm white, smoke and woodrose.

Glides and casters: black only.
