Paint: 4799 Platinum. Fabric (tack-  
board): P300 Boccie Rice. Crew chair:  
Pigment 2711-107 Beige.

**Transform**

Re-use components from the Currency workstation (right) to create a well-blended workspace option by adding Kick panel system components (above).

**well blended**

Use Currency with other product lines to create smart, flexible conferencing spaces.

**More options**

Integrated surface materials means more choices. Above, Currency is blended with a Payback conference table top and Groupwork bases.

**Utilize**

Numerous storage options allow for maximum wall space utilization.

## environmental

### Smart

Smart design and good value go beyond looks and price. We do our best to look at the broad impact of every decision and process – and then make the best decision possible toward a sustainable future. Being environmentally smart is a journey and we are committed to moving steadily in the right direction to contribute to a better environmental future. Currency is GREENGUARD Indoor Air Quality Certified®, a certification which helps clients identify low emitting products and seek LEED certification for their building.
